# How to Train Your Supervisor in 45 Minutes (or less)!

Welcome to an opportunity to develop practical strategies to gain the most out of any supervisor/student/work relationship.

Feeling uncertain?

Feeling overwhelmed?

Unclear processes?

This workshop will enable you to have a clear framework of behaviour that will allow you and your supervisor(s) to work together and still respect each other along the way.

## WHAT TO BRING

Attitude of openness

Willing to be interactive

Commitment to participation

Change is possible
