Inspire the next generation

If you’re motivated to teach, you’ve got the power to make a huge difference to young people’s lives. Our education and teaching courses focus on leadership, communication and organisational skills, providing a solid foundation for your future career.

Your future in teaching

Get a world-class education
Our teaching courses are ranked 27th in the world. This is based on the 2019 QS World University rankings, informed by academic and employer reputation, as well as research impact.

Graduate work-ready
We maintain close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You’ll be taught by staff members with industry experience, recognised as leaders and innovators in their fields – so you can be confident that what you learn at Deakin will be relevant to your teaching career.

Gain hands-on, practical learning
Every Deakin teaching student’s course experience is enriched by the Professional Experience Program. Working with more than 1400 schools across Australia, a dedicated team will help you find the right placements based on your interests, skills, residential location and mode of transport.

We’ll arrange at least 60 days of placements for you in schools where you’ll learn from experienced teachers. Plus, you’ll have access to specialised teaching spaces on campus to prepare for teaching.

Deakin also participates in the Victorian State Government supported teaching academies and alliances program. Our alliance partners offer pre-service teachers with placement opportunities in local schools – with some placements exclusive to Deakin students.

Published by Deakin University in March 2019. While the information published in this guide was accurate at the time of publication, Deakin University reserves the right to alter, amend or delete details of course offerings and other information published here. For the most up-to-date course information, please view our website at deakin.edu.au.

Deakin University CRICOS Provider Code: 00113B
Travel the world
Gain an international perspective on teaching by undertaking your professional experience overseas through our Global Education Program, a teaching practicum that develops a range of teaching and learning approaches. You could pursue opportunities in Chile, Vanuatu and Switzerland.1 You can also broaden your understanding of intercultural education here in Australia. We have a strong commitment to Indigenous teacher education and run a Global Education Program in Australia’s Northern Territory.

Study when and where you want
Study at our campuses in Burwood (Melbourne), Waurn Ponds (Geelong) or Warrnambool – or join the thousands of students currently studying online at Deakin’s Cloud Campus. You’ll learn with the same top teachers as on-campus students, with the ultimate flexibility to study anywhere, anytime.

What is the CASPer test?
If you’re applying to one of the following Deakin courses, you’ll need to sit a CASPer test to demonstrate your suitability for a teaching career1:
• Bachelor of Education (Early Years)
• Bachelor of Education (Primary)
• Bachelor of Health and Physical Education
• Master of Applied Learning and Teaching
• Master of Teaching.

CASPer (Computer-based Assessment for Sampling Personal Characteristics) is an online, video scenario-based situational judgment test, assessing a number of non-academic attributes including communication, ethics, empathy, motivation and professionalism. All institutions offering initial teacher education courses, like the ones listed above, need to select their students based on academic and non-academic criteria – so you’ll need to sit a CASPer test to be eligible for selection, no matter where you choose to study.

The good news is that there are no right or wrong answers to the questions; the best advice we can give is to just be yourself. The 90-minute test assesses your personal characteristics by understanding how you respond to scenarios you’re presented with. You don’t need to prepare for the test but take a look at examples online so you can familiarise yourself with the types of questions asked.

For more information, dates and sample test content, visit takecasper.com.

1 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/teaching.

1 Please note that our destinations may change due to circumstances beyond our control (e.g. funding).

#1 university in Victoria for student satisfaction
Year on year, our students are the most satisfied students of all Victorian universities1. We’ve ranked this highly for the past nine years, with students being particularly happy with our:
• teaching
• learning resources
• student support
• skills development
• learner engagement.

1 Australian Graduate Survey 2000–2020, Graduate Outcomes Survey 2016–2018 (GOS), Quality Indicators for Learning and Teaching (QILT).
Courses

Bachelor of Education (Early Years)

Deakin's Bachelor of Education (Early Years) allows you to teach young children in early childhood and primary school settings. With professional experience opportunities and the option to choose from a range of curriculum areas, you'll graduate with a qualification that's in high demand, meeting the significant growth of the Australian early childhood education sector.

CAREERS

There's an increasing demand for qualified early childhood teachers, coordinators or advisers, and primary teachers working with students from birth to grade 6.

Early years graduates may also find careers within:
- community services
- early childhood facilities
- education organisations
- government agencies
- not-for-profit organisations.

Professional recognition

This course is approved by the Australian Children’s Education and Care Quality Authority (ACEQA) as an early childhood teaching qualification in Australia. It is also accredited by the Victorian Institute of Teaching (VIT) for the purposes of teacher registration in Victoria. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Professional experience

This course includes 115 days of supervised professional experience placements. A current Working with Children Check is required before beginning early childhood/school experience placements.

Visit deakin.edu.au/the Institute of Koorie Education for more information.

1. Cloud Campus students are required to attend compulsory intensives.
2. International students can only enrol at the Melbourne Burwood Campus.
3. Partial course completion at the Institute of Koorie Education is possible.
4. Students need a Diploma of Early Childhood Education and Care to complete the course in three years full-time or part-time equivalent. Opportunities to fast track studies may also exist by completing 8-credit-point units per trimester.
5. Trimester 3 intake is offered to Diploma of Early Childhood Education holders only.
6. This course structure should be used as a guide only and advice should be sought when selecting units.
7. Students are also required to complete two 0-credit-point units, EDUC110 and EDUC111, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
8. Academic Integrity (AAI018) is a compulsory 0-credit-point unit that you must undertake as part of this course.
9. Select one unit from each pool of three.
10. Select one of the specialisations (equates to 2-credit-point units of study).
Bachelor of Education (Primary)

Explore all areas of primary curriculum and build a solid understanding of what it takes to make a difference as a primary school educator, with a Bachelor of Education (Primary) at Deakin. From mathematics to science, visual arts to technology, you’ll learn how to guide children through their primary years learning – and graduate qualified to teach from grades prep to Year 6.

You can also undertake elective units to qualify for the International Baccalaureate (IB) Primary Years Programme pathway.

Primary subject specialisation
Develop advanced skills in a key area of the primary school curriculum, to gain an edge for employment. The following primary specialisations will be offered, subject to demand and availability:

- health and physical education
- humanities
- language and literacy
- languages
- mathematics and numeracy
- science
- special educational needs
- visual arts
- the arts

CAREERS
Studying a Bachelor of Education (Primary) will equip you with the skills and knowledge for a successful career in education. Upon graduation you’ll be ready to teach in primary schools within the private, independent, IB Schools or government departments.

Graduates may also find work in other fields including:

- community services
- government agencies
- not-for-profit organisations
- IB accredited primary schools.

Professional recognition
Deakin’s Bachelor of Education (Primary) is accredited with the Victorian Institute of Teaching (VIT) as a nationally accredited course. Upon graduation, you’ll be prepared to register with VIT as a registered educator.

Professional experience
This course includes 80 days of supervised professional experience placements. You’ll also have the opportunity to undertake a work placement in an international or remote Northern Territory setting through our Global Education Program. A current Working with Children Check is required before beginning school experience placements.

Pathways

Are you interested in teaching but unsure whether you’ll meet the entry requirements for a bachelor degree? If so, look no further than Deakin’s Associate Degree of Education. We’ve designed this course to offer students a supported learning environment and a pathway into Deakin’s Bachelor of Education (Primary).

Associate Degree of Education

Begin your journey to becoming a teacher by studying an Associate Degree of Education at Deakin. You’ll complete core units from the Bachelor of Education (Primary), and develop the foundation skills required to succeed at university.

CAREERS
Graduates of the Associate Degree of Education have guaranteed entry into our Bachelor of Education (Primary), provided they pass the CASPer test.

An associate degree equips you with the skills to succeed at both university and in your future career. Graduates find employment opportunities in a range of fields, including:

- government departments
- education
- health sector
- media
- public service
- private academies/agencies.

deakin.edu.au/course/associate-degree-education

‘I was able to put the skills I had learnt here in Geelong into use at a small inner city school overseas. I found myself broadening my teaching from merely a classroom setting to an overarching role of carer and role model.’

Mitchell Norton
Bachelor of Education (Primary) graduate

---

1 This course is also available at the Institute of Koorie Education. Find out more at deakin.edu.au/ike.
2 This course structure should be used as a guide only and advice should be sought when selecting units.
3 Graduate Integrity (KAN018) is a compulsory 0-credit-point unit that you must undertake as part of this course.
4 Students are also required to complete two 3-credit-point units, SLN030 and EML011, as part of the Literacy and Numeracy Test for Initial Teacher Education (JANTITE), in order to graduate from their course.
5 This course is not available to international students.
Bachelor of Health and Physical Education

Develop the skills, knowledge and understanding to become a secondary school health and physical education teacher who makes a difference to every student. You’ll learn how to create safe, inclusive and engaging learning environments to provide learning experiences that support lifelong health and physical activity with a Bachelor of Health and Physical Education.

Professional recognition
Our education courses are accredited by the Victorian Institute of Teaching (VIT), meaning you’ll graduate as a qualified educator. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Careers
Graduate ready to take your career into teaching within the private, independent or public education sector or advisory roles. You can even work closely with sporting organisations. As well as working as an educator, you may find yourself working in fields including:

- community programs
- government agencies
- human resource management
- private academic agencies
- professional coaching
- sport management.

Professional experience
In all four years of this course, you’ll undertake professional work placements – firstly in primary, then secondary school settings. This gives you the chance to apply your learning in a real-life teaching role in a supported manner. This course includes 80 days of supervised professional experience placements. A current Working with Children Check is required before starting school experience.

Visit deakin.edu.au/course/bachelor-health-and-physical-education for more information, including study areas listing.

‘Completing practicum rounds each year was a huge highlight of the teaching course. I have had the chance to build and sustain relationships with so many schools that I’ve been involved with. It’s been the best way for me to prepare myself for the future.’

Emma Kelly
Bachelor of Education (Primary) graduate Teacher, Mount Pleasant Road Primary School
Are you thinking of changing your career to teaching? An extremely rewarding career, teaching will see you inspire young people and work with them creatively.

Master of Applied Learning and Teaching

The Master of Applied Learning and Teaching is a secondary-teacher qualification that allows you to work in secondary schools and other youth settings such as the Victorian Certificate of Applied Learning (VCAL) and the Vocational Education & Training System (TAFE).

The course uses a problem-based approach that is closely aligned with authentic school-improvement initiatives and links theory and practice through strong work integrated learning partnerships.

Focusing on the middle and upper years of schooling, this course has a strong emphasis on experiential and applied learning pedagogies that enhance student engagement.

You’ll be asked to engage critically with your developing expertise in teaching practice and to be open to contemporary ideas and research. By doing so, you’ll be challenging traditional transmissive approaches to teaching and responding to a need for greater cultural diversity and inclusivity in patterns of Australian educational participation.

Professional recognition
This initial teacher program is approved by the Victorian Institute of Teaching (VIT) against the National Graduate Teacher standards for the purposes of teacher registration in Victoria. Graduates intending to apply for registration in Victoria should carefully check all VIT requirements relating to this process specified at vit.vic.edu.au.

This course will prepare you to meet all requirements to register with VIT.

Professional experience
Students undertake 75 days of professional experience in an educational setting and 10 unsupervised professional development days by participating in professional development activities.

Careers
This course prepares graduates with the advanced professional knowledge, skills and attributes required of educators working in secondary schools and other youth learning contexts, where applied and vocational learning is implemented.

Course structure
16 credit points – 10 credit points of core units, 6 credit points in one of the following three configurations: Research Project, Research Paper, Minor Thesis. Academic Integrity is a 0-credit-point compulsory unit.

Students must complete TAE40110 – Certificate IV in Training and Assessment with a Registered Training Provider before graduation.

Alternate exits
Graduate Certificate of Applied Learning and Teaching (E350).

Professional experience
Our courses are nationally accredited and career focused and have been developed in consultation with principals, teachers and the Victorian Institute of Teaching (VIT). Our early years courses are also accredited by the Australian Children’s Education and Care Quality Authority (ACECQA). This ensures that our courses address the needs of the education sector and that our graduates are fully skilled when they enter the workforce.

Professional experience
Practical teaching experiences throughout your course ensure you have the practical experience you need to launch into your teaching career. Professional experience placements are undertaken in approved schools and early childhood settings (where appropriate) within Australia.

CAREERS
There is a strong demand for qualified teachers and graduate starting salaries are high compared to the graduate average. The increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities. As a graduate of this course, you may find employment as a teacher within the private or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

Course structure
16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

1 This course is not available to international students.
2 Students are required to complete two 6-credit-point units as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) in order to graduate from their course.
3 Students are required to attend compulsory interviews at the Geelong Waurn Ponds Campus.
4 The 2383 course is a 1.5 year part-time full-time equivalent or 1.8 years full-time full-time equivalent (taken over four consecutive trimesters), or part-time equivalent.
5 Cloud Campus is still available to international students.
### ADMISSION REQUIREMENTS

1. Applicants must meet the minimum English language requirements:
   - A Senior Certificate of Education, or
   - A comparable qualification, or
   - Evidence of academic capability judged to be equivalent, including completion of or enrolment in a Victorian Education and Training course and/or relevant work life experience.

- **Trimester intakes**: $6566 $22,200 7/7
- **International fee**: $29,400 7/7

---

1. The 2019 initiative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 6 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.

2. The 2020 annual course fee for international students indicates the tuition fee for two trimesters of full-time study, or 6 credit points, unless otherwise indicated. Additional fees may apply. Visit deakin.edu.au/int-fees for the latest information.
