Shape your future

Skills to get you a job
Gain a competitive edge in the workplace with real-world expertise and practical skills. Deakin is ranked the #1 university for both generic skills and good teaching in Victoria. From our $55 million engineering training facility to our dedicated studios and hi-tech equipment for the creative arts, you’ll gain the expertise to become one of our highly sought-after graduates.

Get work-ready with our industry connections and work placements
Our close ties with industry mean that you get:
• work placement and study abroad opportunities to graduate work-ready
• a well-recognised qualification that stands out to employers
• courses matched to current industry practice.

Gain study credit through real-world experience
Get your career off to the best start by gaining skills, knowledge and networks through work experience – and earn credit towards your degree at the same time.
Many of our courses offer:
• workplace internships
• placements
• work integrated learning programs.

Progressive real-world learning

We’ll support your learning
Whether you’d like to improve your study skills or get help with a tricky assignment, there’s plenty of support available. Turn to our student mentors, online resources and highly qualified staff. Our easy-to-use online system, DeakinSync, gives you the autonomy to manage your enrolment and course material, communicate with your classmates and teachers, sort out your timetable and plan your career.

Get a world-class education
When you study at Deakin, you’re choosing a leading university – ranked in the top 1% worldwide.1 We’ve been awarded a five-star rating by the prestigious university ranking organisation, Quacquarelli Symonds (QS). We’re leading the way in a range of areas, praised for our cutting-edge facilities and internationally renowned for our research and teaching.

Access state-of-the-art facilities
Work with tomorrow’s technology today in our inspiring learning environments, where you can:
• walk through virtual landscapes
• prototype ideas with 3D printing
• trade stock in a simulated trading room
• merge movement and art in our motion capture lab
• use a climate chamber to simulate extreme conditions of temperature, humidity, altitude and oxygen levels.

Learn from leaders in their field
Our outstanding academic staff are active participants and influencers in their fields. They share their skills and knowledge and give you valuable industry insights.

Travel overseas
See the world with an international internship, exchange, study tour or volunteer placement. Gain a competitive edge in the workplace and get credit towards your degree by studying abroad at a Deakin partner university, located in more than 40 different countries. Visit deakin.edu.au/overseas-study for more information on where your Deakin degree can take you.

Study when and where it suits you
Join the thousands of students currently studying online at Deakin’s Cloud Campus. You can:
• choose from more than 200+ courses – single and combined
• experience world-class learning 24/7
• use the latest digital tools
• fast-track your degree by taking extra units throughout the year.

Reap the rewards of student life
Getting started at university is a fun and exciting experience, but it’s not without its challenges. That’s why we lend a hand, helping you find somewhere great to live, scope out the clubs and societies you’d like to join and discover your campus’ best local spots to shop and eat. We can even help with finding a job, student finances, how to get involved at uni, disability support and health services.

Why you can confidently choose Deakin
Top 1% university worldwide

5-star rated university
Rated 5 stars for our world-class facilities, teaching and research. QS Stars University Ratings 2016–2017

Skills to get you a job
#1 university for both generic skills and good teaching in Victoria. Graduate Outcomes Survey 2019

Most-satisfied students
Voted #1 for overall student satisfaction in Victoria ten years running. Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2019 (GOS), Quality Indicators for Learning and Teaching (QILT)

Top young university
Deakin is ranked #29 in the QS rankings of the world’s top universities under 50 years old. QS Top 50 under 50 Rankings 2020

Top-class learning experience
#1 in Victoria for both overall undergraduate experience and undergraduate learning resources. Student Experience Survey 2018

#1 careers service in Australia
DeakinTALENT was awarded the most popular university careers service in Australia by the AAGE (Australian Association of Graduate Employers) in 2017, 2018 and 2019.

1 Shanghai Ranking’s Academic Ranking of World Universities 2019.

‘My favourite part of Deakin is the learning environment fostered on campus. From the facilities themselves to the incredibly accommodating staff, it’s a wonderful place to learn.’

Ellen Gunn
Bachelor of Biomedical Science student
Vice-Chancellor’s Academic Excellence Scholarship recipient

The Geelong Waterfront Campus offers interesting and architecturally inspiring spaces to socialise or relax.
Your guide to applying to Deakin

Choose Deakin
Browse the Courses at Deakin section of this guide (pages 16–59) or online at deakin.edu.au. Undergraduate courses generally begin in March; some courses also have intakes in July and November. Check entry requirements, application methods and application dates. Phone 1800 693 888 to discuss your options.

Find your course

• University

Study the way you want
Learning that fits in with your life – check out Deakin’s range of flexible study options on page 6.

Study where you want
Deakin allows you to study where you are, with five campuses, including our online Cloud Campus, to choose from. Make the most of what we can offer you and explore our locations in more detail on pages 7–11.

Reach your study goals with our support
Find out all the information and support we provide to understand fees, other study costs, government assistance and scholarships on page 12. There are also many pathways to studying at Deakin – find one that suits you on page 14.

Let us help you apply
Whether you’ve just finished Year 12, or you haven’t studied for a number of years, you’ll find a Deakin course or pathway that’s right for you.

Generally, applicants are considered either as a recent secondary education applicant or a non-Year 12 applicant, depending on your highest level of educational attainment.

Supporting a diverse range of needs
We’re committed to offering equity and access for individuals and groups who might not otherwise enjoy the benefits of higher education. Deakin gives additional consideration to applicants who might have experienced difficult circumstances, such as family, financial or medical difficulties, a disability or other challenges.

When applying through VTAC, submit an application through VTAC’s Special Entry Access Scheme (SEAS). If applying direct to Deakin, please provide information and supporting documentation regarding your circumstances when prompted in our online applicant portal, deakin.edu.au/access-equity

It’s important to understand the entry requirements
Make sure you understand the entry requirements for your chosen course by reading the course page carefully. For recent secondary education applicants, in addition to the listed ATAR, some courses may require you to have studied a prerequisite subject/s, while others may also need you to submit extra materials such as a portfolio or personal statement.

Selection requirements for non-Year 12 applicants may include one or more of the following:
• a personal statement
• entrance tests as specified, e.g. STAT (Special Tertiary Admissions Test), or a non-academic assessment
• for all applicants to teaching courses
• a supplementation information form
• an audition
• an interview
• a folio presentation.

For an explanation of key terms, please refer to pages 60–62.

Further information is listed in this guide’s course table (page 16 onwards), as ‘recent secondary education applicant’ and ‘non-Year 12 applicant’.

If you need further assistance, email myfuture@deakin.edu.au or call 1800 693 888.

Gather the supporting documents you’ll need
When you apply direct to Deakin as a non-Year 12 applicant, it’s important to attach any requested supporting documentation, which could include a CV, academic transcripts, STAT results or a personal statement – otherwise, your application might be delayed. We recommend gathering all this documentation before you start the application process, so that you can complete it in one sitting. However, you can save and return to your application at a later time, if required.

Apply online – through VTAC or Deakin’s applicant portal
Depending on your course, you might be able to start in Trimester 1 (March), 2 (July) or 3 (November).

If you’re a recent secondary education applicant, you should submit your application for Trimester 1 through VTAC (vtac.edu.au).

If you’re a non-Year 12 applicant, you should apply for Trimester 1 for one Deakin course only, you can apply direct to Deakin. 1 Otherwise if applying for more than one course, you should apply through VTAC.

Applications for Trimesters 2 or 3 should be made directly to Deakin via the applicant portal at applicantportal.deakin.edu.au.

When can I expect an offer?
VTAC information about dates and offers is available on the VTAC website, vtac.edu.au. For Trimester 1, Deakin makes offers across the VTAC rounds – in November, December, January and February. For applications made direct to Deakin, offers are made via email. Timing varies depending on the course, time of year and applicant information supplied correctly, but offers are generally made within a few working days.

How do I defer my studies?
It’s easy to defer your studies at Deakin – most courses let you postpone your studies while retaining your Deakin place for up to two years. Visit deakin.edu.au/enrolment for information on offers, deferring and more.

Gather the supporting documents you’ll need
When you apply direct to Deakin as a non-Year 12 applicant, it’s important to attach any requested supporting documentation, which could include a CV, academic transcripts, STAT results or a personal statement – otherwise, your application might be delayed. We recommend gathering all this documentation before you start the application process, so that you can complete it in one sitting. However, you can save and return to your application at a later time, if required.

Non-Year 12 applicant
• Applicants with higher education study
• Applicants with VET study
• Applicants with work and life experience
• Applicants who completed Year 12 in 2017 or earlier.

For more information on admission requirements and to understand the type of applicant you are, visit deakin.edu.au/courses/how-to-apply.
Study the way you want

Learning that fits in – study full time or part time
You can switch between part-time and full-time study at Deakin, and set your own pace throughout your education.

This means that if things change, you’re not locked into a study commitment that no longer suits you.

You’re considered a full-time student if you’re enrolled in three or more subjects in a trimester. Any fewer, and you’re considered a part-time student.

Study on your terms – online or on campus
Did you know that you can switch between on-campus and online learning? As long as your course and unit are available in both modes, the choice is yours.

You can also combine the two study modes, so that you can study some units online and others on campus. Many units let you catch up on missed classes through recordings.

Study when you’re ready
Deakin has three study periods during the teaching year. This gives you more choice and flexibility when starting your degree and can even help you fast-track your study by taking extra units throughout the year.

Some students take a trimester off to work or travel, then catch up later. You can also spread your study load, to fit your studies into your lifestyle.

Deakin’s trimesters run from:
• March to June (Trimester 1)
• July to October (Trimester 2)
• November to February (Trimester 3).

Trimester 3 is optional and subject to availability of units.

Visit deakin.edu.au/flexible-study to find out more about your study options at Deakin.

Take advantage of cutting-edge digital tools and resources
As a Deakin student you’re fully supported with a range of online resources. Through your personalised digital study hub, DeakinSync, you connect with:
• students
• learning and assessment experiences
• teaching and support staff
• potential employers.

If you’re a Cloud Campus student, an experienced student success coach reaches out to you via Skype and email, offering ongoing support for your personal and professional development.

Support services
You get support every step of the way at Deakin. For job advice, our career service can help. For health or mental wellbeing services, healthcare professionals are on hand. From childcare services to disability support, we take care of your needs so you can enjoy life at university.

Study where you want

Melbourne Burwood Campus

> A stunning and spacious campus with state-of-the-art digital facilities

A 30-minute drive from Melbourne’s bustling CBD, Deakin’s Melbourne Burwood Campus is our busiest campus, with around 30,000 students. Set in a leafy suburb with plenty of open spaces and parks, the campus includes architecturally impressive buildings and outstanding facilities, including:

- a professional motion capture lab
- dance, drama and television studios
- food and nutrition labs
- nursing clinical and community simulation centres
- IT gaming facilities
- a simulated foreign currency trading floor
- a specialised state-of-the-art indoor exercise and sport science facility.

> Enjoying campus life

Burwood students love the relaxed suburban atmosphere and huge choice of learning and social spaces. Enjoy cafes and food outlets, a bookshop and merchandise shop, medical centre, gallery, gymnasium, great study spaces and much more. The campus sits alongside parkland, which is great for cycling, walking and jogging, and is easily accessible via cycling paths, public transport or car.

> Living on campus

More than 1100 students live in campus residences, year-round. Accommodation options range from private bedrooms in large unit complexes to private studio apartments. Life on campus is so much more than just a comfy bed in a safe building – it’s a unique opportunity to immerse yourself in the Deakin experience. Students who live on campus connect better with each other and with the University. Plus, they’re more likely to achieve great results with their studies.

deakin.edu.au/live

> Living near campus

The closest suburbs to our Melbourne Burwood Campus are Burwood East, Box Hill South, Camberwell and Ashburton. From Melbourne’s CBD it takes about an hour to get to campus via train, bus or tram (the tram stop’s on Burwood Highway, right in front of campus). Alternatively, you can get to Burwood in just half an hour by car, or even cycle to campus.

To find accommodation near campus visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

deakin.edu.au/burwood

Geelong Waterfront Campus

> Study world-class courses overlooking the stunning Corio Bay

Our Geelong Waterfront Campus is right on Corio Bay – in the heart of Geelong. Originally built as wool stores in the 19th century, the buildings have been extensively renovated, creating a modern, impressive campus. Geelong is the second-most populated urban area in Victoria (after Melbourne), with a population of about 195,000 people. One of the world’s most beautiful coastal drives, the Great Ocean Road, is just 30 minutes away, complete with famous surf beaches and the occasional whale sighting.

Geelong Waterfront Campus was founded in 1994. It currently has 5000 students and offers 201 courses. The campus boasts a number of state-of-the-art facilities, including:

- A+8 studio and gallery
- Nursing clinical and community simulation centres
- Occupational Therapy Learning Hub
- The Project Space art gallery.

> Living on campus

The first residential community of 410 students was housed on campus in 2018, with 33 studio apartments also available within Geelong’s iconic T&G House. Students living on campus enjoy a range of exclusive activities throughout the year. You’ll join a supportive student community and an encouraging environment for a balanced social/study life.

deakin.edu.au/live

> Living near campus

If you live centrally, you’ll still be very close to your classes. If you live further from the city centre, it’s easy to get to campus by car, bike or public transport. To find accommodation visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

Study where you want

Geelong Waurn Ponds Campus

A sports-focused campus close to Australia’s best surf beaches
You get the best of both worlds at our Geelong Waurn Ponds Campus. Around 7300 students access world-class programs and superb facilities, where you can enjoy a relaxing, regional environment.

Geelong is on a bay and close to some of Australia’s best surf beaches, with diving and recreational fishing all on offer. The campus itself is approximately 8km from the Geelong CBD.

On campus, outdoor areas and spacious new buildings are perfect for socialising and studying.

There are also incredible sport facilities, as the campus is home to Deakin’s Elite Regional Sports Precinct, which includes:

- an MCG-sized AFL oval
- a FIFA-grade soccer pitch
- an eight-lane 400-metre athletics track
- an outdoor basketball court
- a deluxe health club complete with gym, workout studios and group fitness classes is also available.

Living on campus
The Geelong Waurn Ponds Campus offers townhouses, units and apartments for over 700 students, with an additional 32 double-storied townhouses, each housing ten occupants, opening in Trimester 1 2021. Close to classes and our sporting grounds, living on campus also gives you exclusive access to residential programs. These include health and wellbeing, social, academic, arts and culture and leadership, connecting you in a supportive student environment to help you balance study and social life.

deakin.edu.au/live

Living near campus
The Geelong Waurn Ponds Campus is a 20-minute drive from the centre of Geelong, so living centrally means you’ll never be far from your classes.

Other nearby suburbs include Belmont, Grovedale, Wandana Heights and Highton.

You can access the campus by car, train, or the free shuttle bus that runs between our two Geelong campuses – and Melbourne is just an hour away.

To find accommodation near campus visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

deakin.edu.au/waurn-ponds

Clubs and societies
Deakin students can explore more than 120 clubs and societies across our campuses. We’ve got groups dedicated to everything from anime to basketball.

From sports, health and personal development clubs to academic, religious, and course-specific groups, there’ll be a club or society that suits you.

Reap the rewards of your time at Deakin: meet new people, try new things, share your skills and discover your hidden talents.

Warrnambool Campus

Join a friendly, close-knit community
Three hours from Melbourne and two hours by car from Geelong, Warrnambool is roughly 250km south-west of Melbourne and has a population of 34,000.

The Warrnambool Campus is set on the banks of the Hopkins River and located approximately 8km from Warrnambool’s CBD, which is serviced by Princes Highway and has its own railway station and bus services.

With close to 1000 students, this welcoming campus offers a friendly, close-knit community environment.

The campus boasts a range of state-of-the-art facilities such as:

- Nursing clinical simulation centres
- Deakin aquaculture futures facility
- Deakin’s research vessel Yolla.

Living on campus
Living on campus in Warrnambool means you’re part of a close-knit residential community, giving you access to exclusive residential programs.

Deakin’s Warrnambool Campus offers over 200 studio apartments and shared houses, just metres from the Hopkins River and close to local surf and fishing hot spots.

deakin.edu.au/live

Living near campus
Warrnambool is an increasingly popular tourist destination, with historic buildings, beautiful waterways, surf beaches and a whale-watching centre.

Living off campus is a great and affordable way to get to know the town and wider community while you’re studying.

To find accommodation near campus visit deakin.edu.au/houseme – our online database of rooms, houses and apartments for rent.

Staying on campus
During study intensives, the Kitjarra student residences are available to the Institute’s students. Kitjarra is just a short walk from the Institute’s academic building at the Geelong Waurn Ponds Campus, and is a convenient and comfortable option for study and accommodation.

deakin.edu.au/kitjarra

National Indigenous Knowledges, Education, Research and Innovation (NIKERI) Institute

Offering community-based education programs, the National Indigenous Knowledges, Education, Research and Innovation Institute gives Aboriginal and Torres Strait Islander Australians the chance to access higher education while still being able to maintain family and community commitments.

The approach to course delivery includes a combination of study intensives and distance education options that promote access and equity for Indigenous Australian students. This approach also creates a close-knit learning community, as well as an inspiring and supportive learning environment away from home.

Reach your goals with Deakin’s support

**Fees**

Depending on the course, an Australian Commonwealth supported undergraduate student at Deakin in 2020 can expect to pay between $6684 and $15,144 per year of study. These fees will change for 2021. Eligible students can get loans via the Higher Education Contribution Scheme—Higher Education Loan Program (HECS-HELP). Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold.1 If you’re an eligible student, you can access a range of government financial assistance programs, such as Youth Allowance and Austudy.

**Study-related costs**

Students also need to pay for living costs and course-related expenses, like computer equipment, books, field trips and special equipment or clothing (if applicable to your course).

deakin.edu.au/courses/fees-scholarships/study-related-costs

**Government assistance**

- **Commonwealth Supported Place**
  If you’re an Australian citizen, holder of a Permanent humanitarian visa, Permanent resident or New Zealand citizen and meet Australia’s residency requirements, you’ll be eligible for a Commonwealth Supported Place (CSP) for a bachelor course at Deakin. The Australian Government subsidises a CSP by paying part of the fees directly to the University, making your education more affordable and accessible.

- **HECS-HELP Loan**
  The Australian Government scheme, HECS-HELP, is a loan scheme for eligible students enrolled in a CSP. Under the HECS-HELP loan scheme you can defer all of your tuition fees or make an upfront payment. The HECS-HELP loan covers the student contribution part of your student fees. You’ll begin paying back your loan to the Australian Taxation Office in small increments once you meet the minimum income threshold.1

Deakin University is subject to Australian government legislation. As such, legislative changes can occur and may impact your HECS-HELP eligibility. For more information on eligibility requirements, please visit studyassist.gov.au or deakin.edu.au/courses/fees/fee-payment-assistance.

1 The compulsory repayment threshold for the 2019–20 income year is $45,881.

**Scholarships**

A Deakin scholarship is more than a simple financial boost—it sets you on the pathway to success at university. It’s a great opportunity to stand out from your peers and is an excellent feature on your resume. We offer scholarships for many situations, whether you’ve experienced disadvantage and/or achieved academic merit. Awarding a Deakin scholarship is our chance to acknowledge and reward your accomplishments and hard work.

You could be eligible for a number of scholarships during your time at Deakin. Use our online search tool to help you find out what scholarships you could be eligible to apply for at deakin.edu.au/courses/fees-scholarships/scholarships/find-a-scholarship.

Also check out deakin.edu.au/fees-scholarships/scholarship-tips to read our top tips for completing a scholarship application.

**Financial support**

Deakin offers a range of financial assistance. If you’re experiencing financial difficulties, you might also be eligible for an interest-free student loan for study-related expenses.

**Useful websites**

deakin.edu.au/fees
deakin.edu.au/scholarships
studyassist.gov.au
humanservices.gov.au

**Values shaping our learning community**

Deakin values diversity, embraces difference and strives to promote social inclusion, delivering a range of services and programs to facilitate this.

- **Deakin’s LGBITQ+ community and Working Group** seeks to support the visibility and culture of the community, deakin.edu.au/lgbtq
- **The National Indigenous Knowledges, Education, Research and Innovation (NIKERI) Institute** supports a national educational program linking Indigenous secondary school students to universities.

A description of Deakin values is at deakin.edu.au/about-deakin/values. For information on other services and programs informed by Deakin’s values, refer to deakin.edu.au/diversity-and-inclusion.

**Deakin Accelerate for VCE students**

Deakin Accelerate is a distinctive VCE extension studies program offering high-achieving students university-level learning opportunities. In this program, you’ll complete two units of a first-year university subject at the same time as your Year 12 studies. You’ll study one unit per trimester, alongside first-year university students, completing your units either on campus at one of Deakin’s four vibrant locations, or study anywhere, anytime, at the Cloud Campus – our innovative online learning environment.

deakin.edu.au/accelerate

**Study_Deakin Accelerate helped me confirm what I wanted to study. I already knew that I wanted to study law, but it helped confirm that I also wanted to study criminology.**

2018 Accelerate student – Criminology
Bachelor of Criminology/Bachelor of Laws student
Try our Pathway Finder tool
There are many different ways you can get into an undergraduate course at Deakin. No matter your ATAR or education history, we’re here to help you find your pathway to Deakin. Try our Pathway Finder tool and explore the options that might be available to you at deakin.edu.au/pathways-finder or call us on 1800 693 888.

Pathways through Deakin
We believe your hard work should be rewarded with opportunities. Taking a pathway to Deakin means you get to start the Deakin experience sooner, beginning and completing your studies at the University.

- Transfer between campuses
  Start your course at a campus with a lower ATAR requirement, then transfer to your desired campus after first year.
- Transfer between courses
  Apply to study a course with similar subjects or majors, but a lower ATAR, and use this as a pathway into your ideal course.
- Complete an associate degree
  A Deakin Associate degree in arts or education lets you study in a supported campus environment. It also gives you a direct, guaranteed pathway to an arts, criminology or primary education bachelor degree.
- Undertake single unit (non-award) study
  If you’re looking to gain knowledge in a professional or personal area of interest, consider studying one of Deakin’s single units. You get to satisfy a particular passion, and what’s more, as one pathway option to Deakin, single units can count towards a degree.

Pathways through Deakin College
A Deakin College diploma offers a pathway to enter Deakin as a 2nd year student in selected undergraduate degrees.

deaconcollege.edu.au

Pathways through TAFE
Deakin partners with the country’s best TAFE institutions to offer a guaranteed entry program. Our partners include:
- Bendigo TAFE
- Box Hill Institute
- Chisholm Institute
- The Gordon
- Kangan Institute
- Melbourne Polytechnic
- South West TAFE
- TAFE NSW

deaquin.edu.au/TAFE

Pathways through other institutions
If you’re currently studying at another university and would like to apply for entry into Deakin to finish your degree, you can apply for recognition of prior learning for your previous study.
deaquin.edu.au/rpl

Pathways through the workforce
Deakin students come from all walks of life – not everyone goes straight to university after finishing high school. You might be able to gain entry to Deakin and/or credit towards a Deakin course, based on your work experience or prior industry training.
deaquin.edu.au/pathways

Can we help you find your pathway into university?
There are more pathways to university than you might think. In fact, each year more than 7000 students take a non-traditional path to pursuing their dream career. We have a great team at Deakin, ready to help you find your pathway into university. Give us a call on 1800 693 888 to discuss your options or email myfuture@deakin.edu.au.

‘My teachers have by far made my experience at Deakin the most rewarding. They are always there if you need help and go above and beyond.’

Stephanie Dimitriou
Bachelor of Construction Management (Honours) student

1 Subject to availability and meeting academic requirements.
2 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/teaching.
3 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Key terms for choosing your course

Campus
Deakin has five campuses – one in Melbourne, another in Warrnambool, two in Geelong, and our Cloud Campus. The following course table shows where you can study our undergraduate courses.

ATAR
The ATAR is a rank from 0 to 99.95. It indicates a student’s performance in relation to other students. The ATAR is calculated by using an aggregate produced by adding:
• scaled study score in English, English Language, Literature, or English as an Additional Language (EAL)
• the best three VTAC scaled study scores, and
• 10% of the fifth and sixth scores that are available.

Adjustment factors applied via Educational Access Schemes don’t change the ATAR, they change an applicant’s selection rank for a course that the applicant has listed as a preference. This results in the applicant moving up the course selection list. It also means that an applicant’s selection rank can be different for each course listed in their course preference list.

If the applicant is allocated sufficient adjustment factor points, the applicant might receive an offer for a course even though their ATAR is below the published lowest selection rank.

Admissions transparency
As per Australian Government guidelines, the ATAR published in this guide is the lowest ‘adjusted ATAR score’ for which an offer was made in 2020. The ‘adjusted ATAR score’ is an applicant’s ‘raw ATAR score’, plus any adjustment factors applied. Deakin operates an open and transparent admissions process; visit the VTAC course search at vtac.edu.au and search for an ATAR profile of all Deakin courses.

Course duration
This is the length of the course in years, based on completing the course full time (eight subjects per year). Part-time study options may also be available. Find out by searching for your course at deakin.edu.au/courses.

Entry requirements
The course table outlines the entry requirements for recent secondary education applicants and non-Year 12 applicants.

Recent secondary education applicants
• Current Year 12 students (2020)
• Year 12 graduates (2019 and 2018).

Non-Year 12 applicants
• Applicants with higher education study
• Applicants with Vocational Education and Training (VET) study
• Applicants with work and life experience
• Applicants who completed Year 12 in 2017 or earlier.

For more information on entry requirements and to learn about the type of applicant you are, visit deakin.edu.au/courses/how-to-apply. You can also call us on 1800 693 888 to discuss your options.

Trimester intake
Most courses start in Trimester 1 (T1) (March to June). The course entry indicates whether you have the option to begin your studies in Trimester 2 (T2) (July to October) or Trimester 3 (T3) (November to February). Not all units are offered in every trimester. Some courses in Deakin’s Faculty of Health and Faculty of Science, Engineering and Built Environment are offered by semester. Semester 1 runs from February to June; Semester 2 runs from July to November. Check each course at deakin.edu.au/courses for the most up-to-date intake information.

Fees
The fees listed are 2020 indicative fee rates for students enrolled in the first year of studies in a Commonwealth Supported Place (CSP). The Australian Government offers a subsidy for students enrolled in a CSP by paying part of their fees for the place directly to the university. The fees listed are the indicative amount you’ll need to pay for one year of study. Visit deakin.edu.au/fees for up-to-date information.

Deakin understands that evidencing and articulating your capabilities is vital to gaining opportunities. Deakin Hallmarks are prestigious University awards that recognise students’ outstanding achievements and capabilities that are key to employment success. After graduating, they offer students the opportunity to differentiate themselves to employers. To find out more visit deakin.edu.au/hallmarks, including how Hallmarks are awarded.
## Architecture and construction management

<tbody>
<tr>
<td><strong>Bachelor of Design (Architecture)</strong></td>
<td>Understand the bulk environment, ecosystem and community to create meaningful and sustainable designs for everything from houses to skyscrapers – anywhere in the world. With an eye for detail and a love of drawing, you'll harness creativity with urban planning to make an impact with your designs. A folio is not required as part of our admissions process for the Bachelor of Design (Architecture). Work across the globe, including Europe, Asia and the US. Pursue the following roles (some may require further study): 3D architectural modeller, architectural consultant or designer, building designer, building project manager, design coordinator, draughtsperson, interior designer and structural drafter.</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. <a href="http://deakin.edu.au/course/S346">deakin.edu.au/course/S346</a></td>
<td>$9505</td>
<td></td>
</tr>
<tr>
<td><strong>Bachelor of Construction Management (Honours)</strong></td>
<td>Develop a strong understanding of the business of construction, from law to technology. The Bachelor of Construction Management (Honours) will equip you with market-ready skills for construction management, estimating, surveying or property development – working across projects large and small. Find career opportunities in roles including: construction manager, construction material technician, draughtsperson, estimator, procurement manager, project estimator, project manager and quantity surveyor. This cross-discipline course gives you more options for your future career. Career opportunities (some may require further study) include: 3D architectural modeller, architectural consultant or designer, building designer, building project manager, construction manager, draughtsperson, estimator, procurement manager, project estimator, quantity surveyor and structural drafter.</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. <a href="http://deakin.edu.au/course/D364">deakin.edu.au/course/D364</a></td>
<td>$9462</td>
<td></td>
</tr>
<tr>
<td><strong>Bachelor of Design (Architecture)/Bachelor of Construction Management (Honours)</strong></td>
<td>Gain knowledge, skills and practical experience in architecture, design and construction in this unique combined course that explores smart, sustainable design. Learn to design striking buildings that are economically and environmentally viable – and manage projects, no matter what their scale or size. <strong>Note:</strong> This course is currently being redeveloped at Deakin University.</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. <a href="http://deakin.edu.au/course/S342">deakin.edu.au/course/S342</a></td>
<td>$8514</td>
<td></td>
</tr>
<tr>
<td><strong>Bachelor of Construction Management (Honours)</strong></td>
<td>Learn how to drive growth, make strong commercial decisions, understand regulations and manage construction projects. The combined structure means you'll also be equipped with vocational skills like surveying and building economics. With this qualification, you'll be able to specialise in all facets of the construction management and property and real estate markets including commercial, industrial and residential property. Career opportunities include: construction manager, estimator, leasing agent, portfolio manager, procurement manager, project estimator, property developer and valuer.</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. <a href="http://deakin.edu.au/course/D336">deakin.edu.au/course/D336</a></td>
<td>$30,754</td>
<td></td>
</tr>
<tr>
<td><strong>Master of Architecture</strong></td>
<td>Build on your architectural and built environment skills through specialised study and significantly progress yourself towards becoming a registered architect with the Master of Architecture. You’ll learn about architectural design research and resolution, urban ecologies and contexts, integrated project evaluation and performance-measured sustainable design – knowledge that will propel you towards a career as a practising architect. As a graduate of this course you can work in private architectural practice, government organisations and private companies in property development, building and design. Career opportunities include: 3D architectural modeller, architectural consultant, architectural designer, community development, historic building inspector and work in urban and landscape design.</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL. <a href="http://deakin.edu.au/course/T1">deakin.edu.au/course/T1</a> <a href="http://deakin.edu.au/course/T2">deakin.edu.au/course/T2</a></td>
<td>$95,278</td>

</table>

1. The 2020 Initiative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Leads to professional recognition when followed by successful completion of the Master of Architecture.
3. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2010 and 2018.
4. There are four categories under which Non-Year 12 applicants may apply to Deakin – applicants with Vocational Education and Training (VET) study; applicants with further and higher education study; applicants with work and life experience; applicants who completed Year 12 or earlier.
5. Students have the opportunity to complete this course in three years of full-time study by undertaking units in Trimester 3.
6. Leads to professional recognition when followed by successful completion of an approved Master of Architecture program.
7. Students have the opportunity to complete this course in four years of full-time study by undertaking units in Trimester 3.
8. Students are able to commence this course at either the Melbourne Burwood Campus or the Geelong Waurn Ponds Campus. Delivery is at both campuses and students will be required to undertake units of study from both the Geelong Waurn Ponds Campus and the Melbourne Burwood Campus. Students should seek advice from their course advisor prior to the commencement of their course. Please note that all property and real estate units are also offered at the Cloud Campus.
9. The Master of Architecture suite of courses are currently being redeveloped at the time this publication went to print. For the latest information, please visit [deakin.edu.au/course/master-architecture](http://deakin.edu.au/course/master-architecture).

- $6684

---

**Note:** Deakin University provides a range of courses in various fields such as Arts, Humanities, and Social Sciences. The above-mentioned courses are just a sample of the offerings that reflect the breadth and depth of academic programs available at the university. For a comprehensive list, visit the official Deakin University website.
**Bachelor of Arts/Bachelor of Laws**

Balance industry-leading legal education with through-proving professional experience when you choose Deakin’s **Bachelor of Arts/Bachelor of Laws**. Deakin’s Law School teaches you everything you need to know about commercial law, while your arts degree offers a range of complementary streams, from criminology to sociology, politics and policy studies to media studies.

**Majors**
- See Bachelor of Arts, page 20.

**Bachelor of Business/Bachelor of Arts**

Gain a competitive edge in the job market by studying the Bachelor of Arts/Bachelor of Science combined course. Complement your understanding of science with invaluable skills like critical thinking and strong communication, and open up a world of exciting career options once you graduate.

**Majors**
- See Bachelor of Arts, page 20.
- Bachelor of Science, page 53.

**Bachelor of Commerce/Bachelor of Arts**

Combine commerce major sequences with complementary arts majors in Deakin’s Bachelor of Commerce/Bachelor of Arts to create a unique qualification. Learn to think more critically as you gain a strong foundation in all aspects of business and have developed the personal and quantitative demands of areas such as economics, finance and accounting. At the same time, a complementary choice from arts major sequences will mean you graduate with the balanced education employers want.

**Majors**
- See Bachelor of Arts, page 20.
- Bachelor of Business, page 20.

**Bachelor of Criminology/Bachelor of Cyber Security**

Combine commerce major sequences with Deakin’s Bachelor of Criminology and Bachelor of Cyber Security to create unique qualification. This degree prepares you for roles in criminal justice, law enforcement, policy development, correctional and forensic roles.

**Majors**
- See Bachelor of Arts, page 20.
- Bachelor of Cyber Security, page 27.

**Associate Degree of Arts**

University can be a challenge, which is why we’ve designed a course that offers you a supported learning environment and a guaranteed pathway into Deakin’s Bachelor of Arts. The Associate Degree of Arts teaches you the learning skills you need to be successful at university, including communication, digital literacy and research thinking and teamwork skills. From your first trimester, you’ll also complete units from your target degree (depending on which stream you choose).

**Bachelor of Arts – Advanced (Honours)**

Stand out from the crowd with advanced skills and knowledge gained in Deakin’s Bachelor of Arts – Advanced (Honours). Enroll immediately in a four-year degree which combines a Bachelor of Arts with an Honours year. You’ll develop high-level critical and systematic thinking skills in your area of study, and apply them in your fourth year as you undertake a supervised and supported independent project. You will also develop an innovative appreciation of the social sciences, humanities and the arts, and skills relevant to employers at a global level.

**Bachelor of Criminality/Bachelor of Cyber Security**

Deakin’s Bachelor of Criminality/Bachelor of Cyber Security is the only degree of its kind in Australia. You’ll become equipped with key skills in securing data and data communications, as well as social relations, journalism and providing solutions to cyber crime. Understand the inner workings of criminal behaviour while developing a skill set to take on what’s quickly becoming the number one criminal threat to society in cyber crime.

**Majors**
- See Bachelor of Arts, page 20.
- Bachelor of Cyber Security, page 27.

**Bachelor of Dental Science**

Graduates have qualified for roles in dental public health, clinical research, regulatory and government roles, teaching, and private practice.

**Majors**
- See Bachelor of Arts, page 20.

**Bachelor of Education**

Combine teaching major sequences with a range of Arts major sequences to create a unique qualification. Learn to think critically and numerically as you gain a strong foundation in all aspects of education and have developed the personal and quantitative demands of areas such as English, history, economics and science. At the same time, a complementary choice from arts major sequences will mean you graduate with the balanced education employers want.

**Majors**
- See Bachelor of Arts, page 3.

**Bachelor of Engineering**

Deakin’s Bachelor of Engineering (course work) is designed to provide you with the knowledge and understanding needed for a successful career. This comprehensive course is relevant to employers at a global level.

**Majors**
- See Bachelor of Arts, page 20.

**Bachelor of Engineering (Honours)**

Develop advanced practical and theoretical skills in the area of engineering. This comprehensive course is relevant to employers at a global level.

**Majors**
- See Bachelor of Arts, page 20.

1 Bachelor of Business/Course of Arts

Want a career rich with diverse knowledge and skills? The Bachelor of Business/Course of Arts combines degree training in transferable skills that allow you to seamlessly move between the roles of the future, all while fostering your creativity and entrepreneurial spirit.

Not only will your entrepreneurial mindset be highly valued across many industries, the transferable skills you develop will allow you to adapt and thrive in a variety of roles. Depending on your majors, you’ll have the practical experience needed to be successful as a business operator, event, retail or project manager, retail manager, marketing or media manager, photographer, policy developer, public relations practitioner, and small business operator.

2 Bachelor of Business/Commerce

Combine commerce major sequences with complementary arts majors in Deakin’s Bachelor of Commerce/Bachelor of Arts to create a unique qualification. Learn to think more critically as you gain a strong foundation in all aspects of business with a focus on a commerce major like accounting or economics. A complementary choice from Deakin’s arts major sequences will mean you graduate with the balanced education employers are looking for.

Majors
- See Bachelor of Arts, page 20, and Bachelor of Commerce, page 27.

3 Bachelor of Commerce/Commerce Analytics

Develop critical analysis skills to take data and turn it into strategies to drive business success with Deakin’s Bachelor of Commerce/Bachelor of Commerce Analytics. Learn how to interpret data and information, then combine it with a strong foundation in all areas of business. Graduate with practical skills that will be an asset to companies all over the world.

Majors
- See Bachelor of Commerce, page 27.

4 Bachelor of Commerce/Commerce Laws

Combine a leading law degree with the commercial skills that organisations are looking for in Deakin’s Bachelor of Commerce/Bachelor of Laws. Your broad knowledge of both business and legal concepts, as well as robust training, practical experience and industry placements, will make you a competitive candidate in all areas of corporate law.

Majors
- See Bachelor of Commerce, page 27.

5 Bachelor of Nutrition Science/Bachelor of Science

Build your foundation knowledge in nutrition science and have an understanding of how business operates and guides Australia’s $20 billion food industry. With a Bachelor of Nutrition Science/Bachelor of Commerce, you’ll graduate with highly transferable skills that allow you to understand and operate the relationship between nutrition and business.

Majors
- See Bachelor of Commerce, page 27.
**Bachelor of Arts**

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Study a Bachelor of Arts at Deakin and open the door to a world of opportunities. You'll utilise your individual degree to complement your interests and set yourself up to be flexible across the jobs of the future. You will develop specialist knowledge in your chosen disciplines and learn how to apply critical, creative and strategic thinking to real-world issues.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fee**

- $6990

**Follow your passion and develop the special skills to pursue the career you want.**

**Bachelor of Communication (Advertising)**

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Designed to inspire the next generation of ideas thinkers, advertising at Deakin allows you to understand complex audiences, analyse media effectiveness and hone your creative thinking. Experiment with future-focused approaches to brand communication, and critically evaluate the role and impact of advertising on society. Connect with advertising practitioners and work on real-world projects that will give you the edge you need to establish a stimulating career.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fee**

- $78203

**Bachelor of Communication (Digital Media)**

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Gain an understanding of the functions and influence of communications industries locally and globally, and learn practical skills in social media content creation, publishing, website creation and video-making. With an emphasis on emerging technologies and real world learning, you’ll explore building social media identities, managing social media organisations in digital media, digital entrepreneurship and much more. Graduate with a dynamic network, digital portfolio and strong professional brand that will give you an edge with future employers.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 35 in English (EAL)

**Fee**

- $7396

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Work across a range of industries and organisations from multimedia businesses, to public relations agencies and content providers. Deakin graduates find work in the following roles: content producer/digital producer, social media officer (coordinate, communication and digital media assistant), digital marketing assistant, social media strategist, communications officer and social media specialist.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL)

**Fee**

- $7497

**Bachelor of Communication (Journalism)**

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

The Bachelor of Communication Journalism will give you the skills to unearth a great news story, engage with the public and shape the news across a range of media platforms. You’ll have opportunities to identify, research and plan news and feature stories and write, edit and publish them straight from our newsroom and creative media labs on campus. Through guidance from media practitioners with industry experience you’ll learn about community journalism, feature writing, interview techniques, media law and ethics, news reporting and more.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL)

**Fee**

- $7497

**Bachelor of Communication (Public Relations)**

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Develop a thorough understanding of public relations in the digital era and the social, administrative, cultural and ethical implications of public relations activity. Under the guidance of academics who are active in this field, you’ll gain the professional skills to conduct strategic and tactical communication research, writing, planning and evaluation. You’ll also establish links with professionals in the industry, work with clients in real-life scenarios and undertake work-based internships.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL)

**Fee**

- $8447

**Course**

Deakin University  1288 T1, T2, T3

**Overview**

Work across a range of sectors, including business, government or not-for-profit organisations. Deakin graduates work as: account executives, advertising copywriters, stakeholder engagement officers, community relations officers, customer relations officers, digital communications coordinator, event management officers, government relations officers, marketing and communications coordinators, media relations advisors, public relations officers, social media account managers.

**Entry requirements**

- VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 25 in English (EAL)

**Fee**

- $8447
Communication and creative arts

Course | Overview | Careers | Entry requirements | Fee 1
--- | --- | --- | --- | ---
Bachelor of Creative Arts (Dance) | Immerses you in the exciting physical, social and conceptual possibilities of contemporary dance. Through core studies in technique, choreography, history and theory, you’ll learn how dance interacts with creativity, innovative thinking, community enrichment and technology. Through individual and group performance projects, you’ll gain the practical experience to forge a rewarding career in the expanding arts and entertainment industries. | Graduates are equipped with the skills to create and perform dance works and to work in a variety of contexts including including initiating independent arts projects, or using their skills and knowledge as dance teachers, who are in strong demand both in the school system and private studios. Careers include: arts administration and curators, community art practice, dance education, dance therapists, event, festival and production management. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and RC. | $6,884

Bachelor of Creative Arts (Drama) | Make your craft, create new stories and forge your self as a creative force in the industry. Through practical-based learning and collaborative performance creation, you will build robust physical, creative and intellectual capacities. You will develop your creative voice and the technical skills required to create new work that relates to others, problem solve, and communicate ideas confidently through speech and other physical and visual modes of expression. | Drama graduates are equipped with the skills expected in performance theatre works and to work in professional theatre contexts, including initiating their own work as independent theatre makers and pursuing roles in the arts and entertainment industries. Career opportunities exist in fields like: acting, producing, drama education, stage management, youth theatre, festival or event management, and community theatre. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and RC. | $6,995

Bachelor of Creative Arts (Photography) | Develop the specialist photography knowledge, critical awareness and confidence required to establish yourself as an adaptive creative professional. You will experiment, research and develop your aesthetic sensibilities in this key medium of expression. You will explore professional analogical and digital photographic formats, fundamentals of natural and artificial lighting and photographic storytelling. | Photography graduates are equipped to pursue careers as professional practitioners throughout the arts and commercial sectors. Our graduates have moved into career opportunities in roles and fields like: commercial portraiture, community-based arts, event and sports photographer, fashion or product photographer, gallery director or assistant, independent fine arts practitioner. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard. | $6,705

Bachelor of Creative Arts (Visual Communication) | Develop your skills as a contemporary art practitioner through Deakin’s Bachelor of Creative Arts (Visual Communication). Through specialist studio practice and opportunities to exhibit your work in galleries and exhibitions, you’ll develop your physical, creative and intellectual capacities to engage with the world through new and traditional media. You’ll explore painting, drawing, 3D modeling and installation, public art and performance and investigate the interplay between art and technology. | Graduates are equipped with a dynamic skill set, ready for a career in the expanding arts industries. You may find work in roles such as artist, art director, creative manager, art director, content creator, creative director, desktop publisher and illustrator. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard. | $6,813

Bachelor of Creative Writing | Fine-tune your writing and gain expertise across a range of genres and styles with Deakin’s Bachelor of Creative Writing. You’ll explore contemporary approaches and their histories in areas like creative non-fiction, scriptwriting and poetry, as well as short and extended fiction writing. You’ll have access to writing, publishing and editorial internships in Australia and overseas including a creative writing team internship in Japan, India, Deakin’s in-house publications, literary and the international art and writing journal, Vermonde, prepare you for paid publication in journals, newspapers and on websites. | Apply your skills in numerous sectors from publishing, media and entertainment to finance, health and consumer goods. Career opportunities include: author, book editor, copublisher, copywriter, journalist, magazine editor or writer, publisher, scriptwriter, scriptwriter and technical writer. | VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and RC. | $6,701
Design

Bachelor of Design

Overview
Deakin’s Bachelor of Design (3D Animation) immerses animation into design, focusing on the requirements of the client, delivering projects to suit industry standards across all platforms. Explore design histories and theories and develop creative, technical and analytical skills in animation production through the exploration of computer- graphic animation (3D CGI-modelling, character design and rigging, CG lighting and rendering) and motion capture techniques.

CAREERS
As a graduate, you’ll be a well-equipped multidisciplinary designer ready to work in design, animation, film, television, web design, augmented reality (AR) and virtual reality (VR). Includes: 2D or 3D animation, augmented reality visualization, digital design, motion design, digital designer, motion graphics designer, motion capture technician, multimedia designer and VR designer.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.

Fee
$6890

Course code
3548
Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.

Bachelor of Design in Digital Technologies

Overview
Deakin’s Bachelor of Design in Digital Technologies allows you to learn the tools, strategies and design thinking methodologies required to be an adaptable, multidisciplinary communications designer. From day one you’ll learn to shape your ideas into smart and appealing concepts for users, customers and society as a whole, under the guidance of industry leaders and established designers.

CAREERS
Graduates are open to many career opportunities, including creative agencies, advertising and design studios and corporate companies, taking up roles as: design engineer, digital designers, digital media designers, graphic designers, industrial designers, Live interactive (UI) designers, virtual reality experience designers and web designers.

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.

Fee
$7395

Entry requirements
VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL and a study score of at least 20 in one of Mathematics Methods (any) or Mathematics Specialist Mathematics.

Bachelor of Electrical and Electronics Engineering (Honours)

Overview
A market-ready skills when you study electrical engineering, including skills in renewables and alternative energy generation, and understanding the role of energy production in climate change. This internationally recognised program provides you with hands-on experience and theoretical knowledge to tackle energy production in a changing world with Deakin’s Bachelor of Electrical and Electronics Engineering (Honours).

Entry requirements
VCE units 3 and 4 – a study score of at least 20 in English other than EAL or 25 in English (EAL) and presentation of a portfolio of work to a satisfactory standard.

Fee
$9129

Course code
3561
Entry requirements
VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL and a study score of at least 20 in one of Mathematics Methods (any) or Mathematics Specialist Mathematics.

Bachelor of Mechanical Engineering (Honours)

Overview
Graduate ready to transition into a number of areas and roles including: product development, biological, aerospace, automotive, field and test engineering, advanced manufacturing, mining, railway, research and development, as well as control and systems design. Today, mechanical engineers lend their skills to the development of almost every design imaginable – especially complex products like cars, robots and aircrafts.

Entry requirements
VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL and a study score of at least 20 in one of Mathematics Methods (any) or Mathematics Specialist Mathematics.

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Cloud Campus students will be required to participate in campus-based intensive activities such as tutorials at the Geelong Waurn Ponds Campus.
3. Only the first year of engineering is available at the Melbourne Burwood Campus.
4. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018.
5. There are four categories under which non-Year 12 applicants may apply to Deakin:
   - applicants with higher education study
   - applicants with Vocational Education and Training (VET) study
   - applicants with work and life experience
   - applicants who completed Year 12 in 2017 or earlier. Visit deakin.edu.au/auswes and read to the course of interest to find out further details on admission requirements.

Environment

The Bachelor of Science (S300) is offered at the Melbourne Burwood Campus only. The Bachelor of Science is currently being redeveloped at the time this publication went to print. For the latest information, please visit deakin.edu.au/course/bachelor-science.

Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018. Students are also required to complete two 0 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change. Enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.

Campus and ATAR: Melburne Burwood Campus only. For admission. Visit deakin.edu.au/findcourses for entry requirements and how to apply, visit deakin.edu.au/teaching.

Health

The Bachelor of Health Sciences graduate, you can be confident that you’ll get a solid grounding in multiple fields of health sciences, and be prepared for a successful career in the fastest growing employment sector in Australia. Depending on your majors, your health sciences degree can prepare you for work in the following roles and fields: case manager, disability inclusion worker, community health worker, Indigenous project officer, environmental and sustainability officer, policy advisor, environmental health officer, assistant will do and wellness professional, medical biotechnology researcher, nutrition and health promotion coordinator and regional health service planner.

Campus and ATAR: Melbourne Burwood Campus only. For admission. Visit deakin.edu.au/teaching.

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018.
3. There are four categories under which non-Year 12 applicants may apply to Deakin:
   • applicants with higher education study
   • applicants with Vocational Education and Training (VET) study
   • applicants with work and life experience
   • applicants with higher education study

   For the Bachelor of Science (S300) students must meet the minimum entry requirements for the Bachelor Science (S300).

   To proceed to the Bachelor of Science (Secondary) students must earn a Weighted Average Mark (WAM) of 60 during their undergraduate studies. Additional requirements may apply.

   *Students are required to sit a non-academic assessment.

   1 Students are required to apply for a Working with Children Check before commencing school experience. Students applying to all initial teacher education courses are required to also take the non-academic assessment. Find out more at deakin.edu.au/teaching.

   7 Students are required to apply for a Working with Children Check before commencing school experience. Students applying to all initial teacher education courses are required to also take the non-academic assessment. Find out more at deakin.edu.au/teaching.

   8 Students are also required to complete two 0 credit points, ELN050 and ELN051, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.

   9 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is reimbursed any test costs. Find out more at deakin.edu.au/teaching.

   10 Trimester 3 in Year 3 is a compulsory study period.

   RC means admissions is based on a range of criteria.

   *Non-English Speaking background.

   The Bachelor of Medical Imaging has been developed to equip you with the latest knowledge in medical radiation science, and train you in techniques like ultrasound, magnetic resonance imaging (MRI) and computed tomography (CT). You’ll learn in our state-of-the-art facilities and take part in clinical placements in metro, rural and regional settings to ensure you graduate career-ready.

   Upon graduation, you’ll be prepared to pursue a career as a diagnostic radiographer. You could find yourself working in a radiology department in a hospital, private radiology practice or health department. As a graduate, you’ll be eligible to work as a skilled practitioner across the broad range of diagnostic medical imaging, including general, medical, forensic and MRI.

   Having AMIRA registration enables graduates to be registered nationally as a Medical Radiation Practitioner and work in a range of medical imaging settings across Australia. The Bachelor of Medical Imaging has a Regional and Remote Entry Scheme available through VTAC each year. It has a separate VAC code and eligible applicants may receive up to 10 bonus aggregate points towards their entry score for admission. Visit deakin.edu.au/health/regional and remote entry scheme. Please note: The Scheme is open to current Year 12 students only.

   The School of Medicine offers an Indigenous Entry Stream for the Bachelor of Medical Imaging, with three Commonwealth Supported Places available to non-Year 12 Indigenous students. For more information about minimum entry requirements and how to apply, visit deakin.edu.au/medicine/medical-imaging.

   11 VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL).

   12 VCE units 3 and 4 – a study score of at least 25 in English other than EAL or 30 in English (EAL).

   13 Applicants who completed Year 12 in 2017 or earlier.

   14 Applicants with work and life experience.

   15 Applicants with Vocational Education and Training (VET) study.

   16 Applicants with higher education study.

   17 To be eligible for the undergraduate studies. Additional requirements may apply.

   18 ATAR or at least 30 in maths: specialist mathematics or physical methods (any) or specialist mathematics or mathematical methods (any) or maths specialist mathematics or at least 30 in maths: further mathematics.
## Bachelor of Nutrition Science

### Overview
Study a Bachelor of Nutrition Science and develop an understanding of human nutrition and its impact on our population. Learn how to tackle challenges facing our society, including disease prevention, chronic nutrition, obesity, the spread of misinformation, and the social and physiological effects of food on our wellbeing.

### Entry requirements
- **Fee:** $9509

### Course Code: H315

### Bachelor of Nutrition Science (Dietetics Pathway)

### Overview
Study a Bachelor of Nutrition Science (Dietetics Pathway) and develop an understanding of human nutrition and its impact on our population. Learn how to tackle challenges facing our society, including disease prevention, obesity, the spread of misinformation, and the social and physiological effects of food on our wellbeing. This course is designed for students who wish to study nutrition with a pathway to the Master of Dietetics.

### Entry requirements
- **Fee:** $9527

### Course Code: H330

### Bachelor of Nutrition Science

### Overview
Study a Bachelor of Nutrition Science and develop an understanding of human nutrition and its impact on our population. Learn how to tackle challenges facing our society, including disease prevention, chronic nutrition, obesity, the spread of misinformation, and the social and physiological effects of food on our wellbeing. As a nutritionist, you'll have the knowledge and skills to confidently provide evidence-based advice to communities regarding food and its impact on our health. Graduates of this course will be well prepared for careers requiring knowledge surrounding: nutrition, individual and population health, food analysis, sensory analysis, product development, food quality and safety, as well as food manufacturing.

This course can act as a pathway into the Master of Dietetics (precarescure subjects apply) with 60% of places held for Deakin graduates.

### Entry requirements
- **Fee:** $9803

### Course Code: H313

### Bachelor of Occupational Therapy

### Overview
Through the Bachelor of Occupational Therapy, you'll receive a cutting-edge and practical education that provides you with over 1000 hours of real-world experience. This course will prepare you to improve people's quality of life, and to educate them on how best to transition back into the occupations that are meaningful to them. We'll give you the expertise to provide personalised strategies to work collaboratively with people who have a range of health limitations, including those caused by injury, health conditions, delayed development or the effects of ageing. Take the next step towards a rewarding career helping people from all walks of life.

### Entry requirements
- **Fee:** $8486

### Course Code: H312

### Bachelor of Public Health and Health Promotion

### Overview
Make a difference to people's lives on a broad scale with a Bachelor of Public Health and Health Promotion. You'll learn how to tackle minor and major health issues and boost the wellbeing of individuals, communities and populations. Combined approaches involving community engagement, policy development, health research, education and the media will give you the expertise needed to address the causes of poor health and boost wellbeing throughout society.

### Entry requirements
- **Fee:** $11,648

### Course Code: H314
Bachelor of Information Technology
Overview
Build a strong foundation with core IT skills you can apply to multiple industries and technologies with Deakin’s Bachelor of Information Technology. Focus your knowledge with a specialisation, public health language proficiency, and more.

Majors
• Application development
• Cloud computing
• Creative technologies
• Cyber security
• Game development
• Virtual and augmented reality

Career opportunities include:
- application, software or game developer, augmented reality creator, consultant or system analyst, database and web designer or manager, IT security officer or manager, mobile and apps developer, network specialist, software architect project manager, security analyst, web designer and UX designer

Campus and ATAR:

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide and to the course of interest to find out further details on admission requirements.

2. Cloud Campus, Melbourne Burwood Campus and Geelong Waurn Ponds Campus only.

3. Study in all campuses unless otherwise indicated. Some units are available at the Cloud Campus.

4. Individual units may not be available at every campus.

5. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 13 graduates from 2020.

6. There are four categories under which non-Year 12 applicants may apply to Deakin: applicants with VCE units 3 and 4 of major study; applicants with Year 12 in 2017 or earlier; visit deakin.edu.au/course and head to the course of interest to find out further details on admission requirements.

7. As a registered nurse with public health and health promotion knowledge, you can work around the world in diverse areas like health education, health and human services, public health communication, as well as health policy development and implementation. As a registered nurse, you can work in settings including: hospitals, homes, hospices, aged care settings, clinics, universities, community health centres, as well as government agencies and private industries.

8. As a feature of this course you will complete 220 hours of practical experience in exercise and sport science.

9. Full-time program delivered over eight consecutive semesters, commencing in Semester 1.

10. If you achieve a weighted average mark (WAM) of 75 or above, you will be guaranteed admission to a combined Bachelor of Bachelor of Software Engineering and Bachelor of Applied Science.

11. Cloud Campus students are required to attend a number of campus-based study sessions.

12. This course is also available at the National Indigenous Knowledge, Education, Research and Innovation Institute. Find out more at deakin.edu.au/niarei.

13. This is an accelerated program offered over 3 consecutive trimesters in 3.5 years of study, with three trimesters each year. Course fees are for three trimesters of study, rather than the usual two.

14. This course is currently not accredited with ESSA. However, graduates may still apply to ESSA to become an Accredited Exercise Scientist through the non-ESSA Accredited Course application pathway. Please refer to essa.org.au for more information.

NP means not published – less than five offers made to recent secondary education applicants.

RC means admission is based on a range of criteria.

WP means admission is based on a range of criteria.

B means based on recent secondary education results.

C means based on Year 12 ATAR or equivalent.

Y12 means Year 12 ATAR.

Majors

Bachelor of Exercise and Sport Science/Bachelor of Nutrition Science
Overview
Combine an education in health with a robust business foundation through the Bachelor of Public Health and Health Promotion/Bachelor of Commerce. You’ll combine approaches to improve health systems and attitudes and gain practical skills through field-based programs. Complement it with commerce expertise in areas like management and marketing for a diverse, transferable skill set.

## Information Technology

### Bachelor of Science
**Course:** Bachelor of Science 1  
**Overview:** Deakin’s Bachelor of Science prepares you for the exciting world of scientific research. Forge your own unique path by choosing from a range of specialisations to solve tomorrow’s global issues through science and discovery. If you’re interested in IT, consider undertaking a major in mathematical modelling. It will give you the strong critical knowledge base and help you develop powerful skills in analysis, logical thinking and problem solving, as well as a high level of numerical ability.  
**Careers:** See Bachelor of Science, page 53.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $9356  
**Campus and ATAR:**  
**Melbourne Burwood Campus**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Commerce/Bachelor of Cyber Security
**Course:** Bachelor of Commerce/Bachelor of Cyber Security 1  
**Overview:** Deakin’s Bachelor of Commerce/Bachelor of Cyber Security is the only degree of its kind in Australia. You’ll become equipped with key skills in security and data communications, as well as investigating and providing solutions to cybercrime. Understand the inner workings of criminal behaviour while developing a skill set to take on what’s quickly becoming the number one criminal threat to society.  
**Careers:** See Bachelor of Computer Science, page 27.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $8236  
**Campus and ATAR:**  
**Deakin University Workplace Partners**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Computer Science
**Course:** Bachelor of Computer Science 1  
**Overview:** Deakin’s Bachelor of Computer Science is designed to be relevant for up to 15 years after graduation. You will learn computer science and information technology skills that will provide you with employment opportunities across a wide range of industries. The curriculum is designed to be flexible, allowing you to choose from a range of majors to suit your interests and career goals.  
**Careers:** See Bachelor of Computer Science, page 27.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $9144  
**Campus and ATAR:**  
**Deakin University Workplace Partners**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Laws
**Course:** Bachelor of Laws 1  
**Overview:** Designed and taught by practising lawyers and academics, Deakin’s accredited Bachelor of Laws gives you a broad understanding of the legal system and the ability to apply critical thinking and problem-solving techniques.  
**Careers:** See Bachelor of Laws, page 20.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $10,692  
**Campus and ATAR:**  
**Deakin University Workplace Partners**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Laws (Honours)
**Course:** Bachelor of Laws (Honours) 1  
**Overview:** The Bachelor of Laws (Honours) offers high-achieving law students an additional advantage in establishing their career and is a pathway to a PhD or Masters by Research. Honours students have the opportunity to build their legal research skills through conducting independent legal research.  
**Careers:** See Bachelor of Arts, page 20.  
**Entry requirements:** Minimum WAM requirements apply.  
**Fee:** $5576  
**Campus and ATAR:**  
**Melbourne Burwood Campus**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Arts/Bachelor of Laws
**Course:** Bachelor of Arts/Bachelor of Laws 1  
**Overview:** Combine a leading law degree with a Bachelor of Arts to expand your career options. You could find yourself working as a legal commentator, legal analyst, policy adviser, trade agreements negotiator, international trade lawyer or policy advocate.  
**Careers:** See Bachelor of Arts, page 20.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $9178  
**Campus and ATAR:**  
**Deakin University Workplace Partners**  
- M  
- 11  
- 12  
- 80.00

### Bachelor of Commerce/Bachelor of Laws
**Course:** Bachelor of Commerce/Bachelor of Laws 1  
**Overview:** Develop critical analytical skills to take data and turn it into strategies to drive business success with Deakin’s Bachelor of Commerce/Bachelor of Laws. Explore the exciting fields of business and law, and discover how corporations shape the world.  
**Careers:** See Bachelor of Commerce, page 27.  
**Entry requirements:** VCE units 3 and 4 – a study score of at least 25 in English (EAL) or 25 in English other than EAL.  
**Fee:** $8070  
**Campus and ATAR:**  
**Melbourne Burwood Campus**  
- M  
- 11  
- 12  
- 80.00

---

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical fee schedule for the 2020 year. It is indicative only and is subject to change.  
3. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018.  
4. There are four categories under which non-current Year 12 applicants may apply to Deakin:  
   - applicants with work and life experience  
   - applicants with a non-standard education  
   - applicants with Vocational Education and Training (VET) study  
   - applicants with workplace and VET experience  
5. The Bachelor of Science is currently being reviewed as at the time this publication went to print. For the latest information, please visit deakin.edu.au/course/bachelor-science.  
6. Students enrolled in this course will be required to enrol in units of study at both the Geelong Waurn Ponds Campus and the Geelong Waterfront Campus.  
7. NP means not published – less than five offers made to recent secondary education applicants.
Protect society from the growing threat of cybercrime by studying Australia’s only combined laws and cyber security degree. Through Deakin’s Bachelor of Laws/Bachelor of Cyber Security, you can explore roles in both fields or use your dual expertise to become an in-demand cyber lawyer, capable of handling the complex issues of our evolving digital world.

You’ll graduate with the diverse skills and practical experience required to thrive in fields of law and cyber security, in roles including business analyst, business manager, company administrator or manager, corporate lawyer, cyber security consultant, national security advisor, policy advisor for government departments or authorities, security analyst, and system security manager or cryptographer.

Forging an international legal career and developing competitive skills with cross-cultural relevance in Deakin’s Bachelor of Laws/Bachelor of International Studies. You’ll learn about and analyse the forces shaping Australia, investigate the internationalisation of the law, and apply it at a global level through Deakin’s overseas study experiences.

Grades are suitable candidates for a range of career opportunities, including: corporate lawyer, crime analyst, criminal lawyer, law reform officer, judge (pro-consultant), law professor, legal advisor, mediator, diplomat, federal police officer, trade agreements negotiator, ASIO officer, foreign affairs officer, politician and NGO policy officer.

Property and law have a natural synergy that is of high demand. Gain a competitive legal edge with hands-on experience in the dynamic real estate industry in Deakin’s Bachelor of Property and Real Estate/Bachelor of Laws, combining your top-ranked legal education with skills across property investment, valuation, development and management.

Furnish a range of careers, including: law reform officer, judge, conveyancer, leasing agent, law professor, legal advisor, mediator, legal secretary, property manager, valuer, government valuer, liquidator and portfolio manager.

The commercialisation of rapidly-evolving technologies has opened the door to a new kind of expert with specialist knowledge in both science and law. Study Deakin’s Bachelor of Science/Bachelor of Laws to graduate with an increasingly sought-after skill-set, to succeed in either field, or where science and law intersect.

As a graduate of this course, you’ll be uniquely placed to thrive in fields where science and law intersect. Depending on your area of specialisation, you could work in: biotechnology; forensic science; environmental science and research science. Or upon completion of your degree and the additional practical legal training, you’ll be qualified to work as a solicitor or barrister in all legal fields including: commercial law; criminal law; family law; public international and human rights law; refugee law and personal injury law.

There are four categories under which non-ATAR applicants may apply to Deakin: — applicants with higher education study — applicants with work and life experience — applicants who completed Year 12 in 2017 or earlier. Visit deakin.edu.au/course and head to the course of interest to find out further details on admission requirements.

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical full-time study load of 12 credit points (or equivalent). The fee is subject to change.

2. Trimester 1 intake is available at the Cloud Campus and Melbourne Burwood Campus only.

3. This course is also available at the National Indigenous Knowledge, Education, Research and Innovation Institute (NIKEE) at the Geelong Waurn Ponds Campus.

4. Deakin may accept an approved bachelor degree obtained within two years preceding the year of application.

5. The score on the GAMSAT must be obtained within two years preceding the year of application.

6. NP means not published – less than five offers made to recent secondary education applicants.
Bachelor of Nursing

Overview
Deakin's Bachelor of Nursing gives you the knowledge, skills and understanding you need to become a competent and successful nurse. The course prepares you to provide high-quality, safe, patient-centred care in a range of settings, with clinical placements starting from year 1.

CAREERS
Work around the world in a range of settings, including: hospitals, homes, aged care settings, clinics, schools, universities, community health centres, telephone agencies and private industries.

<tr>
<td>Bachelor of Marine Science</td>
<td>Study Marine Science at Deakin’s Geelong Waurn Ponds Campus and you’ll gain essential knowledge and skills in ocean systems and resources through a multidisciplinary approach in the areas of marine microbiology and genomics, oceanography, coastal processes, marine modelling, marine biology, marine ecology, fisheries and aquaculture. You’ll gain the skills needed to join the greater marine science community using new marine technologies and innovative approaches to help protect and drive the sustainable future of the world’s oceans.</td>
<td>Graduates can confidently enter a range of health-related fields including: research, genetic engineering, the pharmaceutical and biotechnology industries, medical sales and laboratory technology. You can also advance to honours or postgraduate studies, either in more specialised areas of biomedical science (which will enhance your professional development as a scientist), or in other disciplines including medicine (which will complement your scientific training and broaden your career opportunities).</td>
<td>VCE units 3 and 4 – a study score of at least 25 in English (EAL) or at least 20 in English other than EAL</td>
<td>$9166</td>
</tr>
</tbody>
</table>

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical study load of 12 credit points for a full-time student, unless otherwise indicated. The fee should be used as a guide only and is subject to change. 
3. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018.
Bachelor of Zoology and Animal Science

Deakin's Bachelor of Zoology and Animal Science lets you get hands-on with animals, big and small. Apply the latest zoology theory and research in real-world settings, and explore the potential effects environmental change may have on evolution, disease and the physiology of animals. Develop evidence-based decision-making skills valued by industry.

Employers value Deakin graduates' range of practical experience and evidence-based decision-making skills. You'll be well-placed to explore opportunities in areas including: zoological research, environmental monitoring and management, wildlife biology, private environmental consulting and government quarantine.

Graduates typically take on roles such as: research assistants, environmental managers, pest management officers, collection managers of aquaria and zoological gardens, as well as primary and secondary teachers (with relevant teaching qualifications).

Further postgraduate studies, including research training either in Australia or overseas, can also lead to becoming a research scientist in a specific field, museum curator or even a university academic.

Course Overview

Campus and ATAR: T1 T2

Course Code: D331

Fee: $10,391

Bachelor of Science/Bachelor of Laws

The commercialisation of rapidly evolving technologies has opened the door to a new kind of expert with specialist knowledge in both science and law. Study Deakin's Bachelor of Science/Bachelor of Laws to graduate with an increasingly sought-after skill set, to succeed in either field – or where science and law intersect.

Majors

See Bachelor of Science, page 53.

Course Overview

Campus and ATAR: T1 T2

Course Code: D311

Fee: $10,655

Bachelor of Arts/Bachelor of Science

Gain a competitive edge in the job market by studying the Bachelor of Arts/Bachelor of Science combined course. Complement your understanding of science with evaluable skills like critical thinking and strong communication, and open up a world of exciting career options once you graduate.

Majors

See Bachelor of Arts, page 20, and Bachelor of Science, page 53.

Course Overview

Campus and ATAR: T1 T2

Course Code: BBR

Fee: $8,015

Bachelor of Commerce/Bachelor of Science

Deakin's Bachelor of Commerce/Bachelor of Science lets you take your science career beyond the lab. Parrspecialist science knowledge with a strong foundation in business disciplines and graduate ready to lead, innovate and succeed in your chosen field.

Majors

See Bachelor of Commerce, page 27, and Bachelor of Science, page 53.

Course Overview

Campus and ATAR: T1 T2

Course Code: BBR

Fee: $10,395

Bachelor of Forensic Science/Bachelor of Criminology

Become a crime scene expert by studying the Bachelor of Forensic Science/Bachelor of Criminology, a combined course that trains you to piece together the many facets of crime, from understanding offender motives to unlocking hidden details in evidence.

Majors

See Bachelor of Forensic Science, page 53.

Course Overview

Campus and ATAR: T1 T2

Course Code: BBR

Fee: $8,745

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in a full-time study load of 24 credit points. The fee is subject to change and can be updated at any time before enrolment.
3. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2018 and 2019.
4. There are four categories under which non-Year 12 applicants may apply to Deakin: – applicants with higher education studies – applicants with Vocational Education and Training (VET) studies – applicants with work and life experience – applicants who completed Year 12 in 2017 or earlier.
5. The Bachelor of Science is currently being redeveloped at the time this publication went to print. For the latest information, please visit deakin.edu.au/course/bachelor-science.
6. Trimester 3 intake is only available at the Melbourne Burwood Campus.
7. Students are required to apply for a Working with Children Check before commencing school experience.
8. All students are required to sit a non-academic assessment.
9. To proceed to the Master of Teaching (Secondary) students must earn a Weighted Average Mark (WAM) of 65 during their undergraduate studies. Additional requirements may apply.
10. Trimester 3 in year 3 is a compulsory study period. RC means admission is based on a range of criteria.

Bachelor of Education (Primary)3,4

Course
Bachelor of Arts/Master of Teaching (Secondary)1,4

Overview
Combine your passion for the arts with a desire to inspire the generations of tomorrow, with a Bachelor of Arts/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to practice as a lower to senior secondary school teacher in Australia. You’ll work alongside career-long educators, and graduate with knowledge that will take you into your postgraduate teaching studies.

Entry requirements
Fee
$6721

Bachelor of Science/Master of Teaching (Secondary)1,4

Overview
Fast track your studies and gain a postgraduate teaching qualification in just four years with the Bachelor of Science/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to become a lower to senior secondary school teacher in Australia. Start with Deakin’s Bachelor of Science, and alongside core units, choose two science majors which will align with your postgraduate specialisations. Create unique course combinations that will prepare you with the skills and knowledge to take your degree and boost your employability.

Entry requirements
Fee
$9175

1 The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2 Students are required to apply for a Working with Children Check before commencing school experience.
3 Students are also required to complete two 2 credit point units, IS2000 and IS2001, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from this course.
4 Students applying to all initial teacher education courses are required to sit the GAT test, a non-academic assessment. Please be advised the cost of the GAT test is a responsibility borne by individual applicants. Deakin University will not be able to remit any test costs. Find out more at deakin.edu.au/teaching.
5 Cloud Campus students are required to attend compulsory intensities at the Geelong Waurn Ponds Campus.
6 Trimester 3A is offered to Diplomas of Early Childhood Education holders only.

Key terms

Adjusted ATAR
The minimum ATAR that must be achieved to be considered for admission to a course or institution.

Associate degree
The Associate degree structure provides flexible pathways into tertiary education, and can be used as a guaranteed pathway into a range of target degrees (as approved by Deakin). Completion of the Associate degree may give you up to 18 months’ credit towards one of these target degrees. deakin.edu.au/courses/entry-pathways/associate-degrees

Australian Tertiary Admission Rank (ATAR)
The ATAR is a rank from 0 to 99.95. It indicates a student’s performance in relation to other students. The ATAR is calculated by using an aggregate produced by adding:
- scaled study score in English, English Language, Literature, or an English as an Additional Language (EAL)
- the best three VET scaled study scores, and
- 10% of the fifth and sixth scores that are available.

Adjustment factor
Adjustment factors applied via Educational Access Schemes don’t change the ATAR, they change an applicant’s selection rank for a course that the applicant has listed as a preference. This results in the applicant moving up the course selection list. It also means that an applicant’s selection rank can be different for each course listed in their course preference list.

If the applicant is allocated sufficient adjustment factor, the applicant might receive an offer for a course even though their ATAR is below the published lowest selection rank.

Bachelor degree
Usually three or more years of full-time study or equivalent part time. In some courses you may choose one or more majors in specialised areas. It is the minimum entry requirement for many professional careers.

Class
A presentation given by an academic to a large group of students on the subject area being studied. Traditionally known as a lecture.

Combined course
A combination of courses in complementary areas, studied simultaneously, which leads to two degrees, e.g. Bachelor of Arts/Bachelor of Laws. This means you complete two degrees in less time than it would take to complete them separately.

Commonwealth Supported Place (CSP)
A university place for which the government pays a proportion of the tuition costs.

Computer requirements
To fully engage with the Deakin learning experiences, students need to have access to and be able to use internet-connected devices. There are minimum computer standards required for your computer, connectivity and your computing capability for effective study at Deakin.

Credit point
For each subject you successfully complete, you will receive the credit point value of that subject towards your studies. You must complete a specific number of credit points to obtain your degree. The number of credit points required varies for each course and is outlined online at deakin.edu.au/courses.

DeakinSync
DeakinSync is your personalised digital study environment, which provides learning and assessment experiences, teaching and support staff and potential employers. Access enrolled unit sites, enrolment details, study tools, your calendar and more. deakin.edu.au/deakinSync

Defer
The approved postponement of study for a specified period prior to enrolment in a course. Most Deakin courses allow you to defer your studies for up to two years. deakin.edu.au/defer

Discipline
Also known as a study area. You can browse a range of target degrees (as approved by Deakin) at deakin.edu.au/courses.

Direct entry
When applications can be made directly to a higher education provider rather than through a tertiary admissions centre.

Diversity and inclusion
Deakin values diversity and promotes inclusion. The Equity and Diversity Unit provides a range of programs and services to ensure all students have the opportunity to access university education and succeed in their studies and employment. deakin.edu.au/diversity-and-inclusion

Extra requirements
These are requirements that you must meet, in addition to minimum tertiary entrance requirements, to qualify for entry to a course. Information about extra requirements is listed in this guide from page 18, on the VTAC website (vtac.edu.au) and in Victorian Tertiary Entrance Requirements (VICTER) publications.

Faculty
An organisational division within a university; for example, the Faculty of Arts and Education is one of the four faculties at Deakin University. Within each faculty are several schools; for example, Deakin Law School is within the Faculty of Business and Law.

Grade Point Average (GPA)
A GPA is an internationally recognised numerical calculation used to find the average result of all grades received over a defined study period. The GPA can be used for a variety of purposes, such as selection criteria for admission to a program or for assessing academic progress over a set period for progress review purposes.

Graduate entry
A course that requires prior completion of an undergraduate degree for entry. Deakin’s Doctor of Medicine is a graduate-entry course.

Higher Education Contribution Scheme-Higher Education Loan Program (HECS-HELP)
HECS-HELP is a government loan scheme to assist eligible CSP students with their tuition fees (student contributions). Repayments are made through the Australian taxation system once your annual income exceeds the minimum threshold for repayment.

Honours
Honours is an additional year of specialised study, usually taken after you complete a bachelor’s degree, or embedded as part of a bachelor’s degree. Honours may provide you with a competitive edge in the job market or a pathway into a higher degree.

International Baccalaureate (IB)
The IB diploma is an internationally recognised, comprehensive two-year study program designed for university entrance. Australian tertiary admission centres convert IB scores to a national ATAR or QTAC Selection Rank, enabling IB students to be ranked for tertiary entrance alongside their peers. Deakin accepts IB diploma graduates as having satisfied the requirements for university entry. ibo.org

Interest area
You can browse courses at Deakin by interest area, such as Sport, Business or Health. deakin.edu.au/courses

Level
The year level at which units in your course are studied. Level 1 is equivalent to your first year of full-time study, level 2 is equivalent to your second year of full-time study, and so on. You can usually tell what level a unit is by looking at the first number in a unit’s code.

Major
An approved group of at least 6 (up to 8) credit points of related units, normally taken in sequence at each level of a course.

Minor
A minor is a group of related units in an area of study or academic discipline. Minors are shorter than majors and are usually four units long.

Non-Year 12 applicant
There are three categories under which non-Year 12 applicants may apply to Deakin:
- • Higher education study – applicants whose highest level of study enrolment since leaving secondary education is a higher education course, whether at a university or non-university provider.
- • Vocational education and training (VET) study – applicants whose highest level of study enrolment since leaving secondary education is a VET course.
- • Work and life experience (includes less recent secondary results)– applicants who left secondary education more than two years previously and have not undertaken VET or higher education study since then.

Offer round:
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Overall position
The overall position (OP) refers to a Queensland student’s position in a state-wide tertiary entrance rank order based on their overall achievement in senior secondary subjects. It indicates how well a student has done compared to all other OP-eligible students in Queensland. Students are placed in one of 25 OP bands from OP1 (highest) to OP25 (lowest). Queensland students seeking admission to higher education in other states can have their OP converted to an ATAR. Interstate students looking to study in Queensland can have their ATAR converted to a Queensland Tertiary Admissions Centre (QTAC) Selection Rank. Queensland will adopt the ATAR instead of the OP for students who commence Year 11 in 2019 and beyond.

Pathway
Pathways provide alternative entry options for getting into a course at Deakin if you do not meet the requirements for entry. Pathways to Deakin courses can include options such as Deakin College, TAFE courses or starting your course at a different campus. deakin.edu.au/courses/entry-pathways

Personal statement
The personal statement is a form where university applicants can bring to the attention of selection officers any relevant factors or circumstances that cannot be included in the application itself. For example, motivation to study, family background, community experience, academic performance, languages other than English.

Postgraduate degree
A course of study usually beyond bachelor level, including graduate certificate, graduate diploma, masters and research degree. In many cases, eligibility for entry to a postgraduate course requires you to have completed an undergraduate degree and/or have significant work experience.

Prerequisites
The VCE subjects or other requirements that applicants must complete to be eligible for selection into a course. Information about prerequisites is listed in this guide from page 18, on the VTAC website (vtac.edu.au) and in Victorian Tertiary Entrance Requirements (VICTER) publications.

Raw ATAR
The unadjusted ATAR of an applicant to which an offer of a place was made in the relevant year or year-to-date.

Recent secondary education applicant
Current Year 12 (2020) applicants and Year 12 graduates from 2019 and 2018.

Recognition of prior learning
Recognition granted towards your Deakin course for relevant approved study, experience or work, satisfactorily completed at Deakin or elsewhere. Deakin recognises the two aspects to recognition of prior learning:
- • credit may be transferred to your Deakin program from completed or partly completed studies you have undertaken at other accredited institutions; and
- • credit may be granted on the basis of knowledge and skills acquired through informal learning, e.g. in the workplace.

deaakin.edu.au/rpl

Scholarships
A scholarship is a grant or payment made to support a student’s education, awarded on the basis of academic or other achievement. Deakin offers a range of scholarships for commencing students that recognise and reward many accomplishments; from leadership skills to academic success, extra-curricular achievements and commitment to study while experiencing personal hardship.
deaakin.edu.au/scholarships
Key terms

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person's course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or providing non-secondary study, portfolio assessments, results of the STAT, other supplementary tests, etc.

Semester
This is the method of organising some courses in Deakin's Faculty of Health and Faculty of Science, Engineering and Built Environment. Semester 1 runs from February to June, Semester 2 runs from July to November.

Seminar
A class where a small group of students discuss study materials and ideas with a member of teaching team.

Single unit (non-award) study
Single unit (non-award) study provides access to a wide variety of university-level units, without students having to study a full course. Some units have prerequisites or special requirements but most are open to all potential students and on completion can lead to further pathway options.

deaakin.edu.au/courses/how-to-apply/single-unit

Special Entry Access Scheme (SEAS)
SEAS is an umbrella program of special entry schemes governed by VTAC, and conducted by participating tertiary institutions, including Deakin, that provides entry for the disadvantaged into undergraduate courses.

vtac.edu.au and deakin.edu.au/access-equity

Special Tertiary Admissions Test (STAT)
STAT is a test developed by the Australian Council for Educational Research (ACER). The purpose of the STAT is to assess an individual's ability to analyse information and think critically. The STAT is compulsory for non-Year 12 applicants applying for entry into any of Deakin's undergraduate law programs.

Some non-Year 12 applicants will be exempt from sitting the STAT if you are unsure whether or not you need to sit the STAT, or would like more information on non-Year 12 additional entry requirements, visit vtac.edu.au.

Student Amenities-Higher Education Loan Program (SA-HELP)
SA-HELP is a government loan scheme for eligible students to defer all or part of the Student Services and Amenities Fee.

Student contribution
In a Commonwealth Supported Place (CSP), the Australian Government pays some of your fees and you pay the rest. This is called your 'student contribution'. If you're enrolled in a CSP, you may be eligible for a HECS-HELP loan to cover your student contribution amount.

Student Services and Amenities Fee
This is a fee higher education providers can charge for non-academic services and amenities, such as advocacy, sporting programs, legal advice and referral, health and welfare and disability support.

Study score
A score of 0-50 that shows how a VCE student will be ranked for tertiary study. A person's course selection rank can include their ATAR, any subject adjustments, other contributions calculated on the basis of work experience or providing non-secondary study, portfolio assessments, results of the STAT, other supplementary tests, etc.

Year 12 applicant
Applicants with recent secondary education, including current Year 12 applicants and Year 12 graduates from 2019 and 2018.

Year 10 guide
VTAC Year 10 guide 2019.

Yearlong (full) study
Yearlong (full) study involves two semesters of study in one year, with an examination in that subject.

T rimester
This is the method of organising some courses in Deakin's Faculty of Health and Faculty of Science, Engineering and Built Environment.

Trimester 3 spans November to February.

VSC
Selected VET courses are available to students who are considering applying for tertiary study in the future, to help plan their pathway towards tertiary study. The VSC is most applicable for students completing Year 10 in 2020.

Weighted Average Mark (WAM)
WAM is a calculation of all your relevant unit outcomes within a course. The WAM is weighted by taking into consideration the credit points of a unit and the result. Not all grades are used in the calculation of the WAM.

Year 10 unit
A class where a small group of students discuss study materials and ideas with a member of teaching team.

VTAC
Victorian Tertiary Admissions Centre (VTAC)
VTAC is the centralised admissions centre for most undergraduate university courses in Victoria.

vtac.edu.au

VTAC Year 10 guide
A publication produced by VTAC for Year 10 students who are considering applying for tertiary study in the future, to help plan their pathway towards tertiary study. The 2019 guide is most applicable for students completing Year 10 in 2020.

VET
Vocational Education and Training.

VTAC Year 10 guide
VTAC Year 10 guide 2019.

VTEC
Victorian Tertiary Education and Career Development Authority.

WAM
Weighted Average Mark (WAM)
WAM is a calculation of all your relevant unit outcomes within a course. The WAM is weighted by taking into consideration the credit points of a unit and the result. Not all grades are used in the calculation of the WAM.

Year 12 applicant
Applicants with recent secondary education, including current Year 12 applicants and Year 12 graduates from 2019 and 2018.

Year 10 guide
VTAC Year 10 guide 2019.

Yearlong (full) study
Yearlong (full) study involves two semesters of study in one year, with an examination in that subject.

T rimester
This is the method of organising some courses in Deakin's Faculty of Health and Faculty of Science, Engineering and Built Environment.

Trimester 3 spans November to February.

Visit us
There are many opportunities throughout the year to visit Deakin and talk with representatives face-to-face. One-on-one consultations are available and you can book time with a Deakin expert at deakin.edu.au/about-deakin/events.

For assistance with information about studying at Deakin, please phone 1800 693 888, email myfuture@deakin.edu.au or visit deakin.edu.au.

For our 2020 Open Day dates, see the back cover of this guide.

Further reading
Deakin University produces a range of booklets to help you choose the right course. You can download copies of these booklets at deakin.edu.au/courses/find-a-course/course-guides or to request copies, email myfuture@deakin.edu.au or phone 1800 693 888.

Deakin University also produces course guides specifically for international students. To request a copy phone Deakin International on +61 3 9627 4877 or email study@deakin.edu.au.
