

## **Deakin University – School of Architecture photographic negatives collection guide**

This collection was donated to Deakin University Library in 1995 by the School of Architecture. It includes negatives of photographs taken by Deakin students, of houses in Grovedale in the 1980s and is a street-by-street photographic archive of housing in Grovedale over that period.

The collection also includes photographs of the various buildings constructed at Deakin University Waurn Ponds campus prior to the 1990s.
