**Please note:** the Master of Dietetics pre-requisites 'unit set' is not a major nor a specialisation; this 'unit set' will not be printed on your transcript nor your testamur. Enrolling into this unit set will assist the School to identify students who are undertaking the Master of Dietetics pre-requisite units and provide prompt advice to students should we receive future updates regarding Dietitians Association of Australia (DAA) requirements. Please note also that completing this unit set does not guarantee you a place in the Master of Dietetics course.
