If you are starting a higher education course in 2021, you will need a USI to get a HELP loan for your study. If you do not already have a USI, you can apply for one on the Unique Student Identifier website (<https://www.usi.gov.au>).

THE OS-HELP LOAN SCHEME

What is OS-HELP?

OS-HELP is a loan for eligible students enrolled in a **CSP** who want to study some of their course overseas. Eligible students can use it to pay for airfares, accommodation or other travel costs.

Eligible students may also get an extra loan amount for approved Asian language study in preparation for overseas study in **Asia**.

Am I eligible for OS-HELP?

You can get an **OS-HELP** loan if you meet ALL of the following requirements:

- you have been selected by your provider to receive an OS-HELP loan in a six-month period (contact your provider about its application process)
- you are:
 - an Australian citizen or permanent humanitarian visa holder
 - A **NZ SCV** holder who meets the long-term residency requirements and who will be resident in Australia at the time of applying
- you have not received an OS-HELP loan more than once before, and you will not receive a second OS-HELP loan for the same six-month period
- your overseas study is undertaken in the relevant six-month period
- you are enrolled with a provider in a **CSP** and have completed one **EFTSL** of study (usually one year of full-time study) in Australia that counts towards the course you are enrolled in
- you will be studying full-time overseas and your overseas study will count towards the requirements for the Australian course in which you are enrolled
- you will have at least 0.125 EFTSL of your course left to complete in Australia once you finish your overseas study (usually one unit of study)
- you meet the **TFN** requirements
- you meet the **USI** requirements
- you have submitted a valid OS-HELP **eCAF** to your provider
- you have read this booklet.

To be eligible for the supplementary Asian language study loan amount (in relation to a six-month period) you must:

- have been selected for OS-HELP for overseas study in **Asia** for that six-month period
- be undertaking language study in preparation for undertaking that overseas study
- have appropriately indicated on your OS-HELP eCAF that you would like to receive the supplementary amount
- have been selected by your provider to receive the supplementary amount
- have not yet completed the Asian language study before applying for the supplementary amount
- ensure the Asian language study is not taken as part of a course of study leading to a higher education award for which you are in a CSP or receiving FEE-HELP.

NZ SCV long-term residency requirements

If you are a **NZ SCV** holder, you may be able to access an **OS-HELP** loan if you meet all of the following requirements:

- you first began to be usually resident in Australia at least 10 years before the test day*
- at that time, you were a dependent child** under the age of 18 with no spouse or de facto partner
- you have been in Australia for at least:
 - a total of eight years out of the last 10 years immediately before the test day; and
 - a total of 18 months out of the last two years immediately before the test day; and
- you are otherwise eligible for OS-HELP.

You must give your provider evidence that you first began residing in Australia as a minor at least 10 years before the test day. You can do this by requesting your International Movement Record from the Department of Home Affairs.

*‘test day’ means the first day you successfully applied for a **HELP** loan for a unit that formed part of the same course of study as an eligible NZ SCV. Otherwise, the ‘test day’ is the day you submit your OS-HELP **eCAF**

**a ‘dependent child’ is someone who is aged under 18 and does not have a spouse or de facto-partner.

How much OS-HELP can I borrow?

In 2021, the maximum you can borrow for a six-month study period is:

- \$7,037 if you do not study in **Asia**
- \$8,444 if you study in Asia; plus an extra \$1,123 if you do approved Asian language study in preparation for your study in Asia (and meet the eligibility requirements).

You are limited to two **OS-HELP** loans over your lifetime and one OS-HELP loan per six-month period. Your overseas study must take place within the relevant six-month period.

Will I be charged interest?

There is no interest charged on your **HELP debt** but indexation will be applied to the portion of your debt that is 11 months or older on 1 June each year. Indexation maintains your debt’s real value by keeping it in line with the cost of living, as measured by the consumer price index. You can check current indexation rates at www.ato.gov.au/indexation.

How can I check my OS-HELP loan(s)?

To check how much **OS-HELP** you have borrowed already, you will need to log on to the **myHELPbalance** portal at www.myHELPbalance.gov.au. To access your loan history, in addition to your personal details (date of birth, first and last name), you will also need your **CHESSN** or **USI** and your student ID number at your provider.

You should use your **CAN** to ensure your information on the **myHELPbalance** portal is correct. You will receive your CAN within 28 days of your census date. If you think there are errors on your CAN, you have 14 days (from the date of the CAN) to contact your provider and ask for a new, correct one. If you can’t find your CAN, CHESSN or USI, ask your provider. Additionally, students can ask the Student Identifiers Registrar (through the USI office) for their USI under s.14 of the *Student Identifiers Act 2014*. For more information on the **myHELPbalance** portal, please visit <http://www.studyassist.gov.au/help-loans/2020-loan-limit-changes>.

What is a CHESSN?

This is a 10-digit number provided by the Australian Government, to all students who are in receipt of a **CSP** or HELP loan. If you have accessed Commonwealth assistance between 2005 and 2020 you will have been assigned a **CHESSN**. From 2021, the CHESSN will be replaced with the **USI** for new students. From 1 January 2021, all students must have a USI before applying for **OS-HELP**.

What is a USI?

The **Unique Student Identifier** (known as a USI) is a reference number made up of a combination of ten numbers and letters. Amendments made in June 2020 to the Act means it is now **compulsory** for all students commencing a course of study from 1 January 2021 to apply for and obtain a **USI**, in order to be eligible for a **CSP** and Commonwealth financial assistance (HECS-HELP and FEE-HELP). From 1 January 2021, all students must have a USI before applying for **OS-HELP**.

From 2021, once a student has provided a USI it will become their primary identifier and replace the **CHESSN**. Your USI will be used to connect your student loan information to your personal details. You can log in and check or update your details at any time.

Applying for a USI is fast and free, and you keep the same USI for life. You can apply for a USI in as little as five minutes at usi.gov.au.

If you have studied a VET course in the last five years, you will already have an existing USI. Locate your USI easily at www.usi.gov.au/faqs/find-your-usi.

APPLYING FOR AN OS-HELP LOAN

How do I apply for OS-HELP?

If you wish to apply for an **OS-HELP** loan, your provider will give you instructions on how and when to submit your OS-HELP **eCAF**.

You must give your provider your **TFN**, **USI**, name, date of birth and address. Your details must match the information held with the **ATO**. If the details in your application do not match ATO records, you will not be able to access a loan until you correct the error.

The most common way to apply for a **TFN** is at a participating Australia Post outlet. If you do not have a TFN, you can give your provider a *Certificate of Application for a TFN*, which you can ask for when you apply for your TFN. You must give your TFN to your provider within 21 days of receiving it from the ATO, otherwise you may be ineligible for an OS-HELP loan.

Applying for a USI is fast and free, and you keep the same USI for life. You can apply for a USI in as little as five minutes at usi.gov.au.

If you have studied a VET course in the last five years, including while at secondary school, you might already have a USI. Locate it easily at www.usi.gov.au/faqs/find-your-usi.

Your provider will assess whether you meet the eligibility requirements for an OS-HELP loan. Please contact your provider if you require more information about this process.

You must provide your TFN because your HELP debt is repaid through the Australian tax system.

How is my loan amount paid to me?

If you are approved for **OS-HELP**, your **provider** will notify you in writing of your loan amount and pay the loan amount directly to you.

Is there an application or loan fee?

No. There is no application or loan fee for requesting **OS-HELP**.

Can I cancel my OS-HELP loan?

Once you have received payment for an **OS-HELP** loan, it cannot be cancelled. You will have a **HELP debt** immediately after your **provider** makes the payment to you.

REPAYING YOUR HELP DEBT

How do I check my HELP debt?

Your *myGov* account will show you a consolidated total of your **HELP debt** and what your repayments have been. If you don't have a *myGov* account, you can set one up following the instructions at www.my.gov.au. You can then call the **ATO** on 13 28 61 to assist you with linking the 'ATO online services' to your *myGov* account so you can view your ATO account balances, for example, your HELP debt and superannuation accounts.

myGov only shows information from 2014 onwards. If you want information prior to 2014, call the ATO to request an account information statement.

When do I start paying back my HELP debt?

You start repaying your **HELP debt** through the Australian tax system once you earn above the compulsory repayment threshold. The compulsory repayment threshold is different each year. For the 2020–21 income year it is \$46,620. The more income you earn, the higher your repayment will be (see **Table 1**).

To manage repayments, your employer will withhold some of your pay to go towards paying your tax, which includes your HELP debt repayments. Although these amounts are withheld from your pay throughout the year to offset your compulsory repayment—your compulsory repayment won't be processed until your tax return is processed.

This is because your compulsory repayment is calculated from a number of different sources on your income tax return, including:

- your taxable income
- reportable fringe benefits (reported on your payment summary)
- total net investment loss (including net rental loss)
- reportable super contributions
- exempt foreign employment income amounts.

What if I go overseas?

If you go overseas and have a **HELP debt**, you still need to make repayments as if you were living in Australia. If you live or plan to move overseas for 183 days or more (about six months)

in any 12 month period, you must complete an *Overseas Travel Notification*. You must also update your contact details through **ATO** online services within seven days of leaving Australia.

For more information, visit www.ato.gov.au/overseasrepayments.

How much will my repayments be?

The amount you repay each year is calculated as a percentage of your world-wide income. The more income you earn, the higher your repayments will be. When you do your tax return, the **ATO** will calculate your income for the year and tell you on your tax notice of assessment how much your compulsory repayment will be. Compulsory repayments are not tax deductible.

\$136,740 and above	10.0%

In addition to your compulsory repayment, you can also make a voluntary repayment at any time.

 For more information on voluntary repayments, visit www.ato.gov.au/voluntaryrepay.

What if I can't make my compulsory repayment?

If you are struggling to make a compulsory repayment, there may be some options to relieve the stress. Depending on your situation, you may be eligible to apply to the **ATO** to request an amendment or deferment of your compulsory repayment.

 For more information, visit www.ato.gov.au/Individuals/study-and-training-support-loans/overseas-repayments.

For the most up-to-date information on **HELP debt** repayments, check the **ATO's** website at www.ato.gov.au/Individuals/Study-and-training-support-loans/When-must-you-repay-your-loan
