

This Regulation is made pursuant to Statute 6.1 – *University Property, Facilities, Fees and Charges*.

1. The Vice-Chancellor shall be responsible for:
 - (a) establishing Information Communication and Technology facilities, comprising computer infrastructure, networks, software and communications services within the University; and
 - (b) administering the policies and procedures governing the conditions of Information and Communications Technology use, as he or she deems appropriate.
2. The Vice-Chancellor may delegate authority to any person or persons to administer the policies and procedures governing the conditions of information and communications technology use as he or she deems appropriate.
3. The University's information and communications technology facilities may be used by:
 - (a) enrolled students;
 - (b) staff; and
 - (c) others as approved by the Vice-Chancellor or nominee.
4. Users of the University's information communications and technology facilities:
 - (a) may at any time be required by the Vice-Chancellor or nominee to produce evidence of their identity; and
 - (b) must comply with all relevant University policies and procedures.

Made by Council on 12 June 2008 and incorporating all amendments to 2 July 2013.
