#HSE111 Physical Activity and Exercise for Health is incompatible with HSE203 Exercise Behaviour. If you have completed HSE111, you are not required to complete HSE203, you need to complete HSE212 Physical Activity Promotion and Evaluation instead.

Due to ESSA accreditation requirements, if you received preclusion from HSE111 and did not pass HSE203 in T1 2017, you need to complete HSE203 Exercise Behaviour. Please email ens-enquire@deakin.edu.au to enrol in HSE203 for 2018. You are not required to complete HSE212.

Please note: HSE203 is offered for the last time in T1 2018.

Please note: the Master of Dietetics pre-requisites 'unit set' is not a major nor a specialisation; this 'unit set' will not be printed on your transcript nor your testamur. Enrolling into this unit set will assist the School to identify students who are undertaking the Master of Dietetics pre-requisite units and provide prompt advice to students should we receive future updates regarding Dietitians Association of Australia (DAA) requirements. Please note also that completing this unit set does not guarantee you a place in the Master of Dietetics course.
