In line with this commitment, we provide you with information that will help in making informed choices about your higher education study options.

What's included?

2018 Deakin University ATAR Profile (Page 4)

This report shows the ATAR profile of all applicants applying to Deakin University courses in Trimester 1, 2018. This is on the basis of recently completed secondary education – those applicants who completed their secondary education in 2015, 2016 or 2017.

The table's useful if you'd like to browse our undergraduate courses and learn what sort of ATARs the 2018 cohort of students had going into the course. We compile this information so that you can get a good idea of the sort of educational attainment that's expected of Deakin students, on a course-by-course basis.

It also shows the impact of any ATAR-related adjustments resulting from Deakin University's **Equity and Access Scheme**.

Information in this report includes all applicants who applied for a Deakin course via the Victorian Tertiary Admissions Centre (VTAC), as well as those who applied directly to Deakin University.
