H343 BACHELOR OF EXERCISE AND SPORT SCIENCE

FACULTY OF HEALTH

APPLIED SPORT SCIENCE MAJOR SEQUENCE UNITS

HSE105 Principles of Sport Coaching
HSE302 Exercise Programming
HSE304 Physiology of Sport Performance
HSE311 Applied Sport Science 1
HSE323 Clinical and Sport Biomechanics
HSE314 Applied Sport Science 2

GENERAL INFORMATION

This course map is a guide only. You must, in addition to using this map, ensure you meet the course rules and structure as set out in the official University Handbook - of the year you commenced your course (deakin.edu.au/handbook). This course map has been created to be used electronically.

This course map is a typical enrolment pattern for full time study. To study part time you would typically undertake two or fewer units each trimester/semester, which will extend the duration of your studies. Trimester 3 is optional.

Each year's unit offerings options can be found via 'Advanced Unit Search' in the most current year's Handbook.

If you have applied for or received credit for units as recognition of your prior learning (RPL), it may alter your course pattern and the units you need to undertake.

Please seek advice from a Student Adviser in StudentCentral if you have any queries or need help understanding your course structure and unit choices.

SPECIFIC COURSE INFORMATION

Compulsory zero (0) credit point units/programs/modules - HAI010 Academic Integrity (0-credit-point compulsory unit) Trimester 1 2019; HSE010 Exercise and Sport Science Laboratory Safety (0 credit points) - Trimester 1 2019

Note on ESSA Registration:

H343 Bachelor of Exercise and Sport Science students who have been awarded Recognition of Prior Learning for non-university studies (such as Recognition of Prior Learning obtained via TAFE study or Deakin College or overseas qualifications that are not equivalent to an Australian Bachelor degree) please note that you may not be eligible for immediate registration with ESSA. This does not mean that ESSA registration is not available to you. What it means is that registration is not automatically granted as a Deakin graduate from the H343 Bachelor of Exercise and Sport Science course. You can still apply to ESSA for membership but you will need to apply on your own directly to ESSA when you have completed your course. Application details can be found on the ESSA website, and you will be required to complete the non-NUCAP form. In the application you will need to demonstrate that you have met the exercise science knowledge and skills requirements.
