Inspire the next generation

If you're motivated to teach, you’ve got the power to make a huge difference to young people’s lives. Our education and teaching courses focus on leadership, communication and organisational skills, providing a solid foundation for your future career.

Get a world-class education

Our teaching courses are ranked 27th in the world. This is based on the 2019 QS World University rankings, informed by academic and employer reputation, as well as research impact.

Graduate work-ready

We maintain close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You’ll be taught by staff members with industry experience, recognised as leaders and innovators in their fields – so you can be confident that what you learn at Deakin will be relevant to your teaching career.

Gain hands-on, practical learning

Every Deakin teaching student’s course experience is enriched by the Professional Experience Program. Working with more than 1400 schools across Australia, a dedicated team will help you find the right placements based on your interests, skills, residential location and mode of transport.

We’ll arrange at least 60 days of placements for you in schools where you’ll learn from experienced teachers. Plus, you’ll have access to specialised teaching spaces on campus to prepare for teaching.

Deakin also participates in the Victorian State Government supported teaching academies and alliances program. Our alliance partners offer pre-service teachers with placement opportunities in local schools – with some placements exclusive to Deakin students.

Travel the world
Gain an international perspective on teaching by undertaking your professional experience overseas through our Global Education Program, a teaching practicum that develops a range of teaching and learning approaches. You could pursue opportunities in Vietnam, Vanuatu and Switzerland.

You can also broaden your understanding of intercultural education here in Australia. We have a strong commitment to Indigenous teacher education and run a Global Education Program in Australia’s Northern Territory.

Study when and where you want
Study at our campuses in Burwood (Melbourne), Waurn Ponds (Geelong) or Warrnambool — or join the thousands of students currently studying online at Deakin’s Cloud Campus. You’ll learn with the same teachers as on-campus students, with the ultimate flexibility to study anywhere, anytime.

1 Please note that our destinations may change due to circumstances beyond our control (e.g. funding).

Deakin pre-service teachers are supported in all aspects of professional experience and have ongoing communication with the staff to ensure that they have the best opportunity to develop as teachers. Visits to students during placements provide strong mentorship and support. We’re extremely fortunate that our partnership schools provide rich experiences and embrace our pre-service teachers into their teaching and learning communities.

Ian Trend
Manager, Professional Experience Program

What is the CASPer test?
If you’re applying to one of the following Deakin courses, you’ll need to sit a CASPer test to demonstrate your suitability for a teaching career:
- Bachelor of Education (Early Years)
- Bachelor of Education (Primary)
- Bachelor of Health and Physical Education
- Master of Applied Learning and Teaching (Secondary)
- Master of Teaching (all specialisations).

CASPer (Computer-based Assessment for Sampling Personal Characteristics) is an online, video scenario-based situational judgment test, assessing a number of non-academic attributes including communication, ethics, empathy, motivation and professionalism.

All institutions offering initial teacher education courses, like the ones listed above, need to select their students based on academic and non-academic criteria — so you’ll need to sit a CASPer test to be eligible for selection, no matter where you choose to study.

The good news is that there are no right or wrong answers to the questions; the best advice we can give is to just be yourself. The 90-minute test assesses your personal characteristics by understanding how you respond to scenarios you’re presented with. You don’t need to prepare for the test but take a look at examples online so you can familiarise yourself with the types of questions asked.

For more information, dates and sample test content, visit deakin.edu.au/casper.

1 Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/teaching.

#1 university in Victoria for student satisfaction
Year on year, our students are the most satisfied students of all Victorian universities. We’ve ranked this highly for the past 10 years, with students being particularly happy with our:
- teaching
- learning resources
- student support
- skills development
- learner engagement.

1 Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2019 (GOS), Quality Indicators for Learning and Teaching (QILT).
Bachelor of Education (Early Years)

The National Indigenous Knowledges, Education, Research and Innovation Institute (NIKERI) Institute

With a focus on the education and care of children aged between birth to eight years, this dual accredited early years degree allows you to teach young children in early childhood and primary school settings. You will explore contemporary issues in children's learning and development, curriculum theories and pedagogies, discipline knowledge and the changing work context within early childhood and primary education. With professional experience opportunities and the option to choose from a range of curriculum areas, you'll graduate with a qualification that's in high demand, meeting the significant growth of the Australian early childhood education sector.

Early years teaching specialisations include: Aboriginal knowledge and experiences, arts education and promoting equity, social justice and inclusivity. Primary teaching specialisations include: language and literacy and science.

NIKERI Institute
The National Indigenous Knowledges, Education, Research and Innovation Institute provides flexibly-structured Deakin courses to Indigenous Australian students. Our fully accredited Bachelor of Education (Early Years) (above) and Bachelor of Education (Primary) (page 6) courses are offered through Community Based Delivery – a mix of on-campus intensives and cloud-based learning at home. This means students can access higher education while maintaining their work, community and family commitments.

Indigenous Studies
All Deakin students can enrol in Indigenous Studies units through the NIKERI Institute. These units give you a comprehensive and engaging exploration of the history, culture and identity of Australia’s First Nation’s People. Taken as an elective in any course, these units promote diversity and cultural understanding and help to build a well-rounded degree. They’re also valued for their transferrable knowledge and the way they build vital communications skills.

Teaching

The most rewarding aspect of my course has been the learning opportunities gained throughout the professional experience program. I’ve had the privilege of working alongside children and mentors in settings from birth to Grade 6, who have inspired growth in my teaching practice, and enriched my confidence in teaching.

Caitlin Potter
Bachelor of Education (Early Years) graduate

Courses to careers
Visit explore.deakin.edu.au to kickstart your course and career exploration. With more than 600 paired courses and careers, it’s the perfect destination for you to discover your future career.

deakin.edu.au/courses
IB Primary Years Program.

The course is the only undergraduate teacher education program in Victoria accredited with the International Baccalaureate (IB) Primary Years Program, creating a point of difference with other graduates.

Primary subject specialisation

Develop advanced skills and gain an edge for employment in a key area of the primary school curriculum. The following primary specialisations will be offered, subject to demand and availability:

- health and physical education
- humanities
- language and literacy
- languages
- mathematics and numeracy
- science
- special educational needs
- visual art.

Careers

Studying a Bachelor of Education (Primary) will equip you with the skills and knowledge for a successful career in education. Upon graduation you’ll be ready to teach in primary schools within the private, independent, IB Schools or public education sectors.

Graduates may also find work in other fields including community services, government agencies, not for profit organisations and IB accredited primary schools.

Professional recognition

Deakin’s Bachelor of Education (Primary) is accredited with the Victorian Institute of Teaching (VIT) as a nationally accredited course. Students are eligible to apply for registration with VIT upon successful completion of this degree.

The course is the only undergraduate teacher education program in Victoria accredited with the International Baccalaureate Organisation to offer a recognised pathway for teaching in the IB Primary Years Program.

Courses

Bachelor of Education (Primary)

Begin your journey to becoming a teacher by studying an Associate Degree of Education at Deakin. You’ll complete core units from the Bachelor of Education (Primary), and develop the foundation skills required to succeed at university.

Careers

Graduates of the Associate Degree of Education have guaranteed entry into our Bachelor of Education (Primary), provided they pass the CASPer test.

An associate degree equips you with the skills to succeed at both university and in your future career. Graduates find employment opportunities in a range of fields, including:

- education
- government departments
- health sector
- media
- private academies/agencies
- public service.

Pathways

Are you interested in teaching but unsure whether you’ll meet the entry requirements for a bachelor degree? If so, look no further than Deakin’s Associate Degree of Education. We’ve designed this course to offer students a supported learning environment and a pathway into Deakin’s Bachelor of Education (Primary).

Associate Degree of Education

Course structure

Trimester 1

Year 1

- Perspectives On Learning and Teachers’ Work
- Ecology and the Environment
- Literature for Children and Young Adults
- Primary Physical Education

Year 2

- Classroom Relationships
- Multicultural Learners in Early Years Environments
- Primary Science Education 1
- Primary Specialisation Unit 1

Trimester 2

Year 3

- Social Contexts of Education
- Fundamental Concepts of Mathematics
- Visions of Australia: Time and Space From 1700 to 2010
- Engaging and Exploring Arts Education

Year 4

- Children and Mathematics: Developing Mathematical Concepts
- Humanities Education in the 3–6 Primary Levels
- Student Health and Wellbeing
- Primary Specialisation Unit 2

Curriculum and Pedagogy

- Multicultural Learners in Middle Years Environments
- Primary Specialisation Unit 3
- Elective Unit 2

Assessment: Ways of Knowing Learners

- Primary Technology Education: Creativity and Design
- Learners Inquiring in and About Their World: Human Disciplines
- Building Leadership Capacity (Specialisation Unit 4)

University-To-Work Transition

- Professional Practice and Mathematics: Designing and Inclusive Program
- Primary Science Education 2
- Literacy Teacher – Researchers in New Times

Course structure

3 This course is also available at the National Indigenous Knowledges, Education, Research and Innovation Institute. Find out more at deakin.edu.au/NIKERI.
4 This course should be used as a guide only and advice should be sought when selecting units.
5 Students are also required to complete two 0 credit-point units, ELN010 and ELN011, as part of the literacy and numeracy Test for Initial Teacher Education (TITE), in order to graduate from this course.
6 This course is not available to international students.

I was able to put the skills I had learnt here in Geelong into use at a small inner city school overseas. I found myself broadening my teaching from merely a classroom setting to an overarching role of carer and role model.

Mitchell Norton
Bachelor of Education (Primary) graduate
Bachelor of Health and Physical Education

Develop the skills, knowledge and understanding to become a teacher who makes a difference to every student. You’ll learn how to create safe, inclusive and engaging learning environments to provide learning experiences that support lifelong health and physical activity.

You can choose a third teaching specialisation to gain a competitive advantage for employment, including:

- biology
- chemistry
- dance
- drama
- English
- history
- home economics
- mathematics

Professional recognition

Our education courses are accredited by the Victorian Institute of Teaching (VIT), meaning you’ll graduate as a qualified educator. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Careers

Graduate ready to take your career into teaching within the private, independent or public education sectors or advisory roles. As well as working as an educator, you may find yourself working in fields including community programs, government agencies, human resource management, private academies/ agencies, professional coaching, and sport management.

Courses

Professional experience

This course includes 80 days of supervised professional experience placements and students must successfully complete the Deakin Teaching Performance. A current Working with Children Check is required before beginning school experience.

Combined courses

Bachelor of Science/Master of Teaching (Secondary)\(^{3}\)

Fast track your studies and gain a postgraduate teaching qualification in just four years with the Bachelor of Science/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to become a lower to senior secondary school teacher in Australia.

Start with Deakin’s Bachelor of Science, and along side core units, choose two science majors which will lead to your postgraduate specialisations. Create unique course combinations that when paired with teaching, customise your degree and boost your employability.

Teaching method areas

Alongside core education studies you will complete studies in two teaching special areas.

Choose from:

- biology
- chemistry
- dance
- drama
- English
- history
- home economics
- mathematics

Professional recognition

This course is accredited by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian Institute of Teaching and School Leadership (AITSL) program standards and the Australian professional standards for graduate teachers.

Students are eligible to apply for registration with VIT upon successful completion of this degree.

Careers

Graduates of the Bachelor of Science/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors.

Your specialisations and advanced knowledge will also open doors to roles in community services, government agencies and not-for-profit organisations.

Professional experience

This course includes 60 days of supervised professional experience placements. A current Working with Children Check is required before starting school experience.

Meg Collins

Bachelor of Health and Physical Education graduate
Courses

Bachelor of Arts/Master of Teaching (Secondary)

Combine your passion for the arts with a desire to inspire the generations of tomorrow, with a Bachelor of Arts/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to practise as a lower to senior secondary school teacher in Australia.

You will start with Deakin’s Bachelor of Arts, designing your studies around your interests to create unique combinations of majors and minors. While studying your undergraduate degree, you’ll also be building your foundation knowledge that will take you into your postgraduate teaching studies.

Professional recognition

This course is accredited by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian Institute of Teaching (VIT) as an initial teacher education program. Graduates of the Bachelor of Arts/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors.

Your specialisations and advanced knowledge will also open doors to roles in community services, government agencies and not-for-profit organisations.

Professional experience

This course includes 60 days of supervised professional experience placements. A current Working with Children Check is required before beginning school experience.

Careers

Teaching courses at Deakin lead to a career that can make a profound and lasting contribution to the future by positively educating and influencing the lives of students. It’s a rewarding career that offers creativity, flexibility and opportunity.

Graduates of the Bachelor of Arts/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors.

Teaching method areas

Choose two teaching method areas (disciplines) across one or two of the learning areas of:

- anthropology
- Arabic
- children’s literature
- Chinese
- drama
- history
- Indonesian
- literary studies
- media studies
- philosophy
- photography
- politics and policy studies
- sociology
- Spanish
- visual arts.

‘All of the teaching staff were great, approachable, knowledgeable and happy to help us achieve our best. I was well prepared come graduation as I was given lots of opportunities to put theory into practice on placement.’

Tim Darby
Secondary teaching graduate

Curriculum Inquiry Method A

Graduate-entry teaching degrees

Are you thinking of changing your career to teaching? Teaching is an extremely rewarding career that will see you inspire young people and work with them creatively.

Master of Applied Learning and Teaching (Secondary) \[E737\]

Deakin’s Master of Applied Learning and Teaching (Secondary) qualifies you to work in secondary schools and other youth settings. It equips you with the knowledge, skills and experience to teach in an applied learning pedagogy in secondary schools and other youth education settings in two subject specialisation areas based on your undergraduate degree, and in vocational education including the Victorian Certificate of Applied Learning (VCAL) or an interstate equivalent.

The course uses a problem-based approach that is closely aligned with authentic school improvement initiatives, and links theory and practice through strong work integrated learning partnerships. The course focuses on the middle years and upper years of secondary schooling and has a strong emphasis on experiential and applied learning pedagogies which enhance student engagement. You are encouraged to engage critically with your teaching practice and be open to contemporary ideas and research that challenge traditional transmissive approaches to teaching and respond to a need for greater cultural diversity and inclusivity in patterns of Australian educational participation.

Professional recognition

This initial teacher program is approved by the Victorian Institute of Teaching (VIT) against the National Graduate Teacher standards for the purposes of teacher registration in Victoria. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Professional experience

Students undertake 75 days of professional experience in an educational setting.

Careers

This course prepares graduate teachers with the advanced professional knowledge, skills and attributes required of educators working in secondary schools and other youth learning contexts where applied and vocational learning are being implemented. This program also offers a pathway to PhD through research training and a dissertation.

Course structure

- 16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

Alternate exits

Graduate Certificate of Applied Learning and Teaching (E537).

Deakin code Course duration in years: Trimester
Deakin code Course duration in years: Trimester

Master of Teaching (Early Childhood) \[E761\] Master of Teaching (Primary and Early Childhood) \[E762\]
Master of Teaching (Primary) \[E763\] Master of Teaching (Primary and Secondary) \[E764\]
Master of Teaching (Secondary) \[E765\]

The Master of Teaching is a teaching qualification in early childhood, primary or secondary teaching, and gives you the option of a dual qualification in early childhood and primary or in primary and secondary.

These courses offer extensive hands-on experience, preparing you for an in-demand career in education. Students undertaking the single strand courses in early childhood, primary or secondary, have the option of taking an additional four units in a specialisation pathway or internship.

Professional recognition

Our courses are nationally accredited and career focused and have been developed in consultation with principals, teachers and the Victorian Institute of Teaching (VIT). Our early years courses are also accredited by the Australian Children’s Education and Care Quality Authority (ACECQA). This ensures that our courses address the needs of the education sector and that our graduates are fully skilled when they enter the workforce.

Professional experience

Practical teaching experiences throughout your course ensure you have the practical experience you need to launch into your teaching career. Professional experience placements are undertaken in approved schools and early childhood settings (where appropriate) within Australia.

Careers

There is a strong demand for qualified teachers and graduate starting salaries are high compared to the graduate average. The increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities. As a graduate of this course, you may find employment as a teacher within the private, independent or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

Course structure

1. The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study or 0.5 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.
2. This course is not available to international students.
3. Students are required to apply for a Working with Children Check before commencing school experience.
4. Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2017 and 2018.
5. There are four categories under which non-Year 12 applicants may apply to Deakin: – applicants with higher education study, – applicants with Vocational Education and Training (VET) study, – applicants with work and life experience, – applicants who completed Year 13 in 2017 or earlier.
6. Students are also required to complete two 0 credit point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
7. Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/teaching.
8. Cloud Campus students are required to attend compulsory intensives at the Geelong Waterfront Campus.

Deakin understands that evidencing and articulating your capabilities is vital to gaining opportunities. Deakin Hallmarks are prestigious University awards that recognize students’ outstanding achievements and capabilities that are key to employment success. After graduating, they offer students the opportunity to differentiate themselves to employers. To find out more visit deakin.edu.au/hallmarks, including how Hallmarks are awarded.
