

Request a replacement testamur

Replacement testamurs can be issued for a fee if your testamur has been lost, stolen or damaged, or you need to update your name.

When do I have to pay the fee?

The replacement testamur fee is payable if you need to:

- replace a lost or stolen testamur;
- replace a testamur that was not received if you graduated over 12 months ago;
- replace a damaged testamur if you graduated over 3 months ago; or
- update the name on your testamur.

Lost or stolen

If your received testamur has been lost or stolen we require you to complete the form and the statutory declaration and have the document signed by an authorised witness.

The authorised witness must print or stamp his or her name, address and title under section 30(2) Oaths and Affirmations Act 2018 (Vic) (eg Legal Practitioner, Justice of the Peace, Pharmacist, Police Officer, Court Registrar, Bank Manager, Medical Practitioner, Dentist).

If you're currently overseas we still require an authorised witness as above. International authorised witnesses can include a Justice of the Peace, Notary Public, Australian Consular Officer or Australian Diplomatic Officer, an employee of the Commonwealth or the Australian Trade Commission who works outside of Australia, or a recruitment agent for International students.

Damaged

If your testamur requires replacement due to damage and it is over 3 months since your graduation date, the replacement testamur fee is payable. You need to complete the form and return your original testamur to the Graduations Office before a replacement is issued.

If your original testamur is damaged in the delivery process, we will replace the document free of charge within three months of your graduation date. The replacement form should be completed (no need for the statutory declaration). The testamur must be returned to the Graduations Office before a replacement is issued.

Name change

To update the name on your testamur you are required to complete the form including the statutory declaration and return the original testamur along with proof of your name change. We accept certified copies of your birth certificate, marriage certificate, divorce certificate and passport.

What if I've just graduated and my name is incorrect?

The replacement fee is payable as you were asked to confirm the name for your testamur when registering for your graduation.
