

Your enrolment checklist

Prepare for your appointment

Check your course rules and unit options in the [2023 University Handbook](#)

Use your course map to plan your first year of study. You can find your course map in the Handbook course entry.

Think of any questions you have and note them down for your appointment.

Finalise your enrolment in StudentConnect

[Create a Deakin username and password](#)

Visit [DeakinSync](#) for information on your course enrolment process.

Note down your unit choices in preparation for enrolling.

Enrol in your units at [StudentConnect](#) by adding or confirming the units you need to complete. You'll also provide your personal details and can check fee information.

After you've enrolled

Organise your [Deakin Card](#) (student ID) at Student Central.

You can view your [class timetables](#) in October.

[Organise your textbooks through Deakin Library.](#)

Visit [Get Started](#) to read more about Orientation and what's to come.

Where to go for help

[Student Central](#) is your starting point for help with:

- course planning and advice
- enrolment and your Deakin Card
- fees and financial assistance
- exams and transcripts
- lost property
- student support services.
