Your future in law

Hands-on learning that’s second to none
Our law programs are unique in their experiential learning, which means you get to work with real clients, take part in a legal internship or volunteer opportunity, and can study abroad over the course of your degree. Lawyers are increasingly required to offer clients practical, commercial advice in addition to pure legal advice, so the skills you’ll learn through these experiences will help you graduate job-ready.

Help real clients through Deakin Law Clinic
Deakin Law Clinic is a community legal service offering free legal advice and assistance to people experiencing disadvantage in their access to justice, or whose matters are conducted in the public interest. You’ll interview real clients under the supervision of qualified legal practitioners, conduct research on legal issues and offer advice where appropriate. You’ll also have the opportunity to attend court proceedings. This professional work experience gives you the opportunity to enrich your legal education and theoretical knowledge, preparing you for employment in the industry.

Pursue a Legal Internship program
Take up an internship placement at a law firm, legal aid provider or government office for credit as part of your Deakin Law School experience. You’ll develop the practical legal skills and real-world experience that employers look for in a competitive employment market. This professional work experience gives you the opportunity to enrich your legal education and theoretical knowledge, preparing you for employment in the industry.

Travel overseas
See the world through an exchange program, study abroad or volunteer on a placement that lets you study overseas for a few weeks, a trimester or even a year as part of your Deakin degree. Studying overseas helps you prepare for the global employment market, develop interpersonal and academic skills, and learn another language while travelling and having fun.

Study when and where you want
Join the 14,000 students currently studying online at Deakin’s Cloud Campus. You’ll learn with the same top teachers as on-campus students, with the ultimate flexibility to study anywhere, anytime.

Benefits of Deakin Law Students’ Society membership
The Deakin Law Students’ Society (DLSS) is the peak representative body for all Deakin law students across Burwood and Geelong, assisting over 500 student members with their educational, career, social and wellbeing needs. Throughout the year, DLSS members can attend a variety of events, extending from social gatherings like the prestigious law ball, through to career-based opportunities, such as moot courts and training seminars.

We’ll support you every step of the way

Vis Moot international experience

The Vis Moot and the Vis (East) Moot are part of a mock-arbitration competition run annually in Vienna and Hong Kong. Deakin Law School is one of only a few law schools to have participated in both competitions every year since their inception.

During the competition, students:

- research two areas of international commercial law (international commercial arbitration and the international sale of goods) in detail and then apply the law to a hypothetical case
- prepare two sets of written legal arguments (one for each side in the dispute)
- prepare for the oral rounds in Hong Kong and Vienna – competing against law schools from around the world.

By taking part in a Vis Moot, not only will you earn a credit point in International Litigation and Dispute Settlement, but you’ll also be involved in one of the most highly regarded competitions in the profession, which is great for your future career.

Deakin Law School has a strong track record of success at the Vis Moot. It is one of only four universities worldwide to win the Vienna rounds twice (in 1999 and 2014), was a grand finalist in Hong Kong twice, and in 2017 held the number one place, out of 125 participating teams, in the general Hong Kong rounds.

#1 university in Victoria for student satisfaction

Year on year, our students are the most satisfied students of all Victorian universities.1 We’ve ranked this highly for the past 10 years, with students being particularly happy with our:

- teaching
- learning resources
- student support
- skills development
- learner engagement.

Law students can gain real world courtroom experience with a legal internship.

After searching through different universities and the opportunities that each had on offer, I found that Deakin truly provided a ‘worldly’ experience, as promised. The offer of study tours, internship placements, international work experience, and industry-based learning were the highlights that stood out and essentially led me to choose Deakin.
