## Career Pathway Placement Student Final Project Report

The purpose of this form is for you to illustrate the educational outcomes achieved during the placement and must be completed once the placement has ended. It should be written in plain language and as such does not require the disclosure of any Intellectual Property developed from the research.

If you haven't added your placement to your ILP you can access it through the [HDR online forms, systems and apps webpage](#) under the Researcher Development section by selecting the Individual Learning Plan tile under Researcher Development. Once in your ILP add training component 'Career Pathway Placement'.

Please return the completed form to [phdextra@deakin.edu.au](mailto:phdextra@deakin.edu.au). If you have any queries, please contact the Graduate Research Academy on 03 522 73494.
