

Insurance summary for students on placements or work experience

The Deakin University insurance policies provide insurance cover for students during medical placement, community placement, practical placement, enterprise experience and work experience approved by the University.

What is covered?

All of the University's insurance policies provide cover for the period 1 November in the current year to 1 November in the following year. Our most recent certificates of currency are available upon request.

Insurance cover is provided under the following policies.

General & Products Liability

Provides cover for the legal liability to pay damages or compensation in respect of personal injury and/or damage to property occurring during placements and work experience. Includes liability to host employers.

Professional Indemnity

Provides cover for the civil liability resulting from the conduct of the professional services provided during placements and work experience.

Medical Malpractice

Provides cover for the civil liability resulting from the conduct of the healthcare services provided during placements and work experience.

Personal Accident

Provides capital benefits, weekly benefits and injury assistance benefits following an injury during placements and work experience, but does not replace Medicare or any private health insurance.

International Travel

Provides cover for medical and additional expenses as a result of injury or illness, emergency travel assistance, loss of baggage, loss of personal effects, personal liability, loss of deposits and additional travel expenses during approved international travel as part of placements and work experience.
