Declaration

I (students's full name)

and I (parent's full name)

have read and understood the Department of Home Affairs and Deakin University guidelines for students under 18. We understand that while the student is under the age of 18 (including any period of non-enrolment), he/she must live either with a nominated eligible relative or in accommodation approved by Deakin University. (Any changes to Deakin approved accommodation and welfare arrangements must be requested in writing, by the parent and approved by Deakin, or the student's enrolment may be terminated.)

I give permission to Deakin University to seek medical treatment for my son/daughter, including calling an ambulance, in case of a medical emergency or if urgent medical treatment is required.

During their course at DUELI students are required to attend an average of three excursions per intake when students go to the city of Melbourne and surrounds. The excursions are scheduled during class time and are related to topics and themes in the student's class programme. I give permission for my son/daughter to attend programmed excursions as described above.
