What to expect at DUELI

Attendance

- You have to attend at least 80% of your scheduled DUELI classes.
- DUELI is legally obliged to report students with unsatisfactory attendance (under 80%) to the Department of Home Affairs, which in turn may result in a cancellation of the student visa; no refund will be given in this situation.
- DUELI teachers monitor your attendance every hour of class.
- If you are late by more than 15 minutes for the first class of the day, and more than 5 minutes for any subsequent class, you will be marked absent for that whole one-hour class.
- DUELI will notify you in writing if you are at risk of falling below 80% and of its intention to report you for unsatisfactory attendance.
- If you disagree with the decision to report you, you can appeal against it, following DUELI procedures.

Excessive absence

Students who are absent for more than 5 consecutive business days may be reported to the Department of Home Affairs for non-attendance. Students who are reported and whose visa is cancelled will not be eligible for a refund of any remaining tuition fees.

Course progress and assessment

DUELI is legally required to check your course progress to ensure that you are doing well in your studies. Language skills are assessed throughout the teaching block at regular intervals so that you can revise your study goals.

There are several assessment tasks within each level, which you must pass in order to progress to the next level. You must pass the level specified in order to meet the English language requirement allowing you to enter the intended award study.

Marks are final. All borderline marks are second-marked by a coordinator. Students can request a review of their marks, in exceptional circumstances, by completing the Results Review Form available at DUELI Reception. Students who have failed at a given level three times will be unable to extend their study.

Plagiarism

Plagiarism occurs when a student copies somebody else's work without acknowledging its author. Plagiarism leads to severe penalties in Australia, as it is an example of academic misconduct. Teachers at DUELI will explain how to properly reference your work in order to avoid plagiarism.

Student expectations

Deakin University recognises that students are entitled to have the following expectations during their time at DUELI:

- to study in a safe, secure and supportive environment
- to be treated with respect and courtesy in an environment free from harassment and discrimination
- to have personal privacy respected
- to have access to clear, appropriate procedures for dealing with complaints and grievances.

Your student visa

The Department of Home Affairs

The Australian Government Department of Home Affairs can give you information and support you with your enquiries about your visa.

Contact the Department of Home Affairs:

on 131 881

or visit www.homeaffairs.gov.au.

The Department of Home Affairs is located at:

Casselden Place, 2 Lonsdale Street, Melbourne 3000.

Student visa conditions

- You must maintain at least 80% attendance throughout the length of your course.
- You must remain at the institution that originally recruited you for your principal course for the first six months. If you want to change, you must obtain a Release Letter from Deakin University and get permission from the Department of Home Affairs.
- You must tell DUELI Reception your current Australian address, within seven days of starting DUELI, or moving house.
- Health insurance (OSHC: BUPA, NIB, Allianz etc.) must be held for the full length of your student visa.

Attendance

- DUELI is legally obliged to report students with unsatisfactory attendance to the Department of Home Affairs, which in turn may result in a cancellation of the student visa.
- If you disagree with the decision to report you, you can appeal against it, following DUELI procedure. If you are absent for more than 5 consecutive business days, you may be reported to the Department of Home Affairs and your enrolment and CoE may be cancelled. No refund will be given in this situation.
- Students must keep all medical certificates as the Department of Home Affairs and DUELI may ask for proof of illness if attendance falls below 80%. It is the student's responsibility then to provide the Department of Home Affairs with any medical certificates if requested.

Extended absence

In the event that a student is hospitalised or absent due to circumstances beyond their control, the Director of DUELI will determine whether the student's absence will be excused. Each request is assessed on a case-by-case basis, and must be supported by medical certificates or other relevant documentation and approved by the Department of Home Affairs.

Deakin compliance

For course and visa compliance and related administrative information, please visit deakin.edu.au/students/studying/international-students/compliance-and-visas.

Reporting and disclosure of information

DUELI must, by law, report to the Department of Home Affairs any changes to your enrolment as well as breaches of your student visa conditions relating to your attendance and/or academic progress.

DUELI may be obliged to share the information you provide with Australian government departments, such as the Department of Home Affairs and the Department of Education and Training. For instance, when asked, DUELI must give the Department of Home Affairs information about your current address and contact numbers, your enrolment status and your grades.

Visa extension

It is your responsibility to hold a valid Australian visa at all times. If your visa is due to expire before the end of your course, you need to apply for its extension with the Department of Home Affairs at least two months before the expiry date.

Tax File Number (TFN)

You need to provide your tax file number (TFN) to:

- your bank, when opening a bank account
- your employer, if/when applying for a part-time job.

It is not compulsory to have a tax file number but if you do not have one, any money or interest you earn in Australia will be taxed at a higher rate.

To apply, visit www.ato.gov.au.

Things to remember

As a DUELI student, it is your responsibility to remember the rules about your attendance, arrival time for class, your course progress and related information. A set of useful apps is also available for you to download on your device.

- You must tell DUELI Reception your address in Australia when you arrive and any time it changes.
- DUELI requires that you attend all classes. Your attendance must be above 80%. If your attendance falls below 80% it may put your student visa in danger and you may not be able to extend your DUELI course.
- If you are sick please ask your doctor for a medical certificate. Keep all medical certificates in case you have to show them to DUELI or the Department of Home Affairs.
- If you are more than 15 minutes late for your first class, you will be marked absent for that class.
- If you are more than 5 minutes late for any following class, you will be marked absent for that class.
- If you fail the same DUELI level three times, you may not be able to get a course extension.
- The information provided to DUELI may be shared with BUPA if BUPA is your overseas health cover (OSHC) provider as arranged by Deakin. For more information visit www.bupa.com.au/privacy-and-security and see page 12.
- ILC/library items must not be removed from the ILC/library without being issued.
- Lost property will be kept at DUELI Reception for one month before being disposed of.
- Re-printing certificates/statements of results will cost \$30 per copy.

Living in Geelong

Geelong

Geelong is Victoria's second-largest city, and has a population of approximately 250,000. It is close to some of the state's most beautiful natural landscapes, such as the Great Ocean Road. It also has great shopping, many restaurants and cafes, a lovely waterfront, and all the facilities you would expect from a 21st Century city.

Weather and clothing

The weather in Geelong is pleasant and mild with four distinct seasons: summer, autumn, winter and spring. Geelong generally does not experience severe extremes of heat, humidity or cold; however, the weather can be very changeable and hard to predict. It is a good idea to wear layers of clothing and to carry a small umbrella or a waterproof jacket.

Water restrictions

Due to ongoing dry weather, water restrictions are sometimes introduced in Geelong to help save our diminishing water resources.
