

WANT TO WORK IN FOOD, NUTRITION OR DIETETICS?

ESSENTIAL CAREERS INFO AN EVENING OF FREE GUIDANCE FROM THE PROFESSIONALS

The School of Exercise and Nutrition Sciences, FANS and DeakinTALENT invite students, alumni, and interested friends to an evening event discussing potential career paths in Food, Nutrition or Dietetics. Experienced professionals with a plethora of skills and knowledge will give their perspectives on how they developed their careers and give valuable advice regarding careers in the fields of Food, Nutrition or Dietetics.

Speakers:

Kate Wengier

- Dietitian & nutritionist with a passion for improving eating habits of families and communities. She created FOOST to teach easy ways to eat more fruit and vegetables

Laura Sitter

- 28 year old nutritionist and Deakin graduate who started her own nutrition business straight out of university.

Ramon Hall

- Deakin Lecturer and business owner, energised by food innovation and passionate about bringing nutrition innovations to consumers!

Rebecca Lindberg

- Chronic Disease Program Manager at the Australian Health Policy Collaboration
