Other publications and research related activities

Shiri Krebs, Report to the Australian Government Cyber Security Cooperative Research Centre: Shiri Krebs, 'Ownership of Data in Australia, the EU, and the US,' *Report to the Australian Government Cyber Security Cooperative Research Centre* (\$10,000 external research grant from the Australian Government CSCRC, 2020), pp 1-99.

Shiri Krebs, Submission to the Australian Government: Shiri Krebs, 'Deakin University Response to the Australian Government Data Availability and Transparency Bill, 2020,' pp. 1-8.

In a recent publication in the *Harvard International Law Journal Online*, Cornell Law Professor and United States Judge Advocate Brian Cox (retired) advised the US Military to adopt the recommendations detailed in **Shiri Krebs**, 'Law Wars', 11 *Harvard National Security Journal* 106 (2020).

Gabrielle Wolf participated in a Q&A session to launch issue 43(4) of the *University of New South Wales Law Journal*, which is available at: <https://youtu.be/NgQyVkl7bjA>

Vicki Huang received an honourable Mention, Australian Legal Research Awards CALD (10 September 2020) for 'An Empirical Investigation of 20 Years of Trade Mark Infringement Litigation in Australian Courts' (2019) 41(1) *Sydney Law Review* 105

SSN Grant: (AUD 7,500) "*Immortalising organs: a feminist study of emerging placental technologies*" – Dr Jaya Keaney (ADI), **A/P Neera Bhatia** (DLS), Dr Jacqueline Dalziell (UNSW), Dr Marnie Winter (Uni SA) and A/Prof Dominique Martin (Deakin School of Medicine). This project explores the ethical, legal, social, and cultural issues concerning micro physiological placental technologies and new placental research models that can be used during pregnancy to monitor and assist with conditions such as preeclampsia and foetal growth. We will investigate (i) shifting scientific understandings of the placenta (ii) explore emerging legal issues regarding placental organoids and placenta-on-chip technology and (iii) novel analysis of the cultural implications and notions of organs and reproductive bodies amongst other issues.
