* All Deakin University applicants, including those applying for guaranteed entry courses, must meet the English language criteria, minimum admission criteria and readmission clauses to be considered for entry as outlined at deakin.edu.au/admission-procedure. Recognition of Prior Learning will be assessed separately from entry. All applicants will be considered by selection officers on the basis of their ability to meet the educational demands of the course and their likelihood of success. Selection officers may consider, among other factors, your complete academic record including any studies completed before, during and after the listed qualifications. If Deakin's admission selection officers feel that applicant will not be successful in the course, Deakin University may reject your application.

The outlined study pathways from Box Hill Institute to Deakin University are available for the stated eligible Diploma and/or Advanced Diploma qualifications only. Applicants with other VET qualifications should refer to individual course entry requirements at deakin.edu.au/find-a-course to check eligibility for application. Always check the current availability of courses at Box Hill Institute at boxhill.edu.au.

All international students should apply at apply.deakin.edu.au. Unless otherwise specified, course entry is competitive, not guaranteed for international students. Applicants are advised to support their application with their study results, a resume/CV, personal statement and/or any other supporting documentation including portfolios and tests when relevant. International students must hold a valid Australian visa throughout their enrolment at Deakin, unless they are enrolled with Deakin's Online campus.

Please be advised that any RPL that you accept into your course at Deakin is not automatically accepted by some professional bodies. It is the student's responsibility to ensure that any study you intend to undertake, together with any relevant prior studies that have been presented for admission and/or credit transfer purposes, will meet the requirements of membership for professional bodies/associations that you may choose to seek in the future.

In some instances students need to select particular majors and minors in their bachelor degree to get the full RPL. We strongly urge you to make an appointment with a Student Adviser at Student Central for enrolment advice: deakin.edu.au/students/help/student-central.

RPL is correct at the time of publishing for the listed diploma and bachelor degree. Course changes and availability may impact RPL in the future. Please refer to the pathways finder for the most up to date information.
