Checklist

Please ensure the following documentations are uploaded to your application in the applicant portal.

- Supporting statement (1 – 2 pages)
- Curriculum Vitae
- Proof of name change, if relevant (e.g. marriage certificate).
- Proof of your commencement date and evidence of any intermission or changes of candidature status if you have been enrolled in a Masters or Doctoral program at another institution.
- Transcripts of all your tertiary education studies. **If you are currently enrolled in your fourth year studies, we will require your incomplete academic transcripts as well.** These should indicate the name of the qualification, the institution of enrolment, the years of study, the subjects / units undertaken, the grades achieved, explanatory notes concerning the grades, and proof that the qualification has been completed (certification not required for Deakin University transcripts). INTERNATIONAL applicants must obtain an assessment from the Australian Psychological Society (APS) (<http://www.psychology.org.au/membership/qualifications/>) prior to applying for this course to confirm the level at which their qualifications are comparable to an Australian Psychology Accreditation Council (APAC) sequence of study in Psychology. Please note, there is a charge for this service.
- If you have studied in a country other than Australia or another English speaking country you will need to visit: <https://www.deakin.edu.au/international-students/getting-into-deakin/entry-requirements/english-language-requirements> for more details about meeting Deakin's English Language Requirements.

Academic Referee Reports

- Reports from two academic referees are required to assist the University in assessing the standard of your previous academic achievements and your potential to undertake research. It is recommended that you request reports from current or former lecturers. Please follow link to complete reports: <http://www.psychologyreference.org>. This referee system is used across universities. To be able to use the system, you will need to have an active subscription. The cost of a 12 month sign up is \$25.00 and can be paid for through the "My Account" section in the payment tab.

Scholarships (relevant for Doctor of Psychology applicants only)

- <http://www.deakin.edu.au/study-at-deakin/scholarships-and-awards/research-degree-scholarships>
All applicants who are successful in being offered a place in the DPpsych (Clinical) will be automatically included in the Faculty scholarship ranking. Please be aware that the process is highly competitive and not all applicants who receive a place in the course will necessarily be successful in receiving a scholarship.
