Your future in law

Hands-on learning that’s second to none
Our law programs focus on experiential learning, which means you get to work with real clients, take part in a legal internship or volunteer and study abroad over the course of your degree.

Lawyers are increasingly required to offer clients practical, commercial advice (in addition to pure legal advice), so the skills you’ll learn through these unique experiences will help you graduate job-ready.

Help real clients through Deakin Law Clinic
Deakin Law Clinic offers legal advice and assistance to eligible clients in:
- civil and commercial law (Civil and Commercial Practice Group)
- criminal law (Criminal Law Practice Group)
- employment law (Employment Law Practice Group)
- family law (Family Law Practice Group)
- venture law (Venture Law Information Service).

You’ll interview real clients under the supervision of a qualified solicitor, conduct research on legal issues and offer advice where appropriate. You’ll also have the opportunity to attend court proceedings.

Pursue a Legal Internship Program
Take up an internship placement at a law firm, legal aid provider or government office for credit as part of your Deakin Law School experience. You’ll develop the practical legal skills and real-world experience that employers look for in a competitive employment market.

Travel overseas
See the world through an exchange program, study abroad or volunteer on a placement that lets you study overseas for a few weeks, a trimester or even a year as part of your Deakin degree.

Studying overseas helps you prepare for the global employment market, develop interpersonal and academic skills, and learn another language while travelling and having fun.

Study when and where you want
Join the 14,000 students currently studying online at Deakin’s Cloud Campus. You’ll learn with the same top teachers as on-campus students, with the ultimate flexibility to study anywhere, anytime.

Vis Moot international experience

The Vis Moot and the Vis (East) Moot are part of a mock-arbitration competition run annually in Vienna and Hong Kong. Deakin Law School is one of only a few schools that have participated in both every year since their inception. During the competition, students:

- research two areas of international commercial law (international commercial arbitration and the international sale of goods) in detail and then apply the law to a hypothetical case

• prepare two sets of written legal arguments (one for each side in the dispute)

• prepare for the oral rounds in Hong Kong and Vienna – competing against law schools from around the world just before Easter each year.

Vis Moot international experience

Take part in Vis Moot and not only will you earn a credit point in International Litigation and Dispute Settlement, but you’ll also be involved in one of the most highly regarded competitions in the profession, which is great for your future career.

Deakin Law School has a strong track record of success at the Vis Moot. It is one of only four universities worldwide to win the Vienna rounds twice (in 1999 and 2014), was a grand finalist in Hong Kong twice, and in 2017 held the number one place, out of 125 participating teams, in the general Hong Kong rounds.

We also offer Legal Internship, a clinical skills unit that involves you working, for example, at a community legal centre under the supervision of a legal practitioner. This unit gives you credit towards your degree and enhances your overall learning experience, offering you a unique insight into the community legal centre environment.

Work experience

Professional experience gives you the opportunity to enrich your legal education and theoretical knowledge, preparing you for employment in the industry. Deakin Law Clinic is an ideal opportunity for you to gain real-life practical legal experience before completing your course.
