## Postgraduate

# Take on tomorrow

with a degree shaped by industry leaders

## Acknowledgement of country

Deakin University acknowledges the Traditional Custodians of all the unceded lands, skies and waterways on which Deakin students, staff and communities come together.

As we learn and teach through virtually and physically constructed places across time, we pay our deep respect to the Ancestors and Elders of Wadawurrung Country, Eastern Maar Country and Wurundjeri Country, where our physical campuses are located.

We also acknowledge the many First Nations from where students join us online and make vital contributions to our learning communities.

# Future-proof your career

**Ready to take the next step?  
Realise your full potential with  
a postgraduate degree.**

For almost 50 years, Deakin has shaped the leaders of the future. Today, we are in the top 1% of universities worldwide.<sup>1</sup>

Join a world-class university and be ready to take on tomorrow with confidence.

At Deakin, you won't just learn about the future, you will prepare for it with real-world learning and research fuelled by progressive thinking.

#### WHY DEAKIN?

# Get ahead with a postgraduate degree

**In a world that doesn't stand still, neither can you.**

Postgraduate study expands your employment opportunities, giving you the skills and expertise to progress your career.

Employers value the professional skills and strategic thinking developed through studying at a postgraduate level.

## DEAKIN'S POSTGRADUATE ADVANTAGE

### World-class degrees

Australia's education system is internationally renowned. As one of the country's leading universities, you will receive a world-class education.

### Hands-on learning

Graduate work ready. Our degrees are practical and hands on, with many opportunities for work experience.

### Industry experience

Get real-world experience while you study with our practical and applied learning opportunities. Develop industry knowledge, extend your professional networks and more.

### Professional recognition

Many of our courses are industry accredited, which means the knowledge and skills you learn align with industry best practice, and employers and professional associations recognise your qualifications.

3 Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2022 (GOS), Quality Indicators for Learning and Teaching (QILT).

4 Times Higher Education Young University Rankings 2022.

5 Australian Graduate Recruitment Industry Awards, 2017, 2018, 2019, 2020 winner for most popular career service in Australia; Employability award, 2021 Australian Financial Review Higher Education Awards.

# Connect with industry

## Real-world experience

At Deakin, we have a wide range of internship, work placement and work integrated learning programs to help you advance your career while you study.

You will gain the real-world expertise and practical skills that will give you a competitive edge in the workplace — all while you are studying.

## Industry placements to make you job-ready

Enhance your employability in Australia and around the world. Be ready for your career with industry-based learning opportunities, fieldwork and professional placements. Deakin has industry partnerships with organisations across Australia and overseas to give you the practical and applied skills that add depth to your resume and are sought after by employers.

## Learn from leaders in their field

Our outstanding academic staff are active participants and influencers in their fields. This ensures our courses stay relevant and reflect changing industry needs and that you will get the best of theory and current workplace practices.

This is why we are Victoria's #1 university for teaching quality<sup>1</sup>.

## Secure your position in industry with professional recognition

Many of our courses are industry-accredited, which means that the knowledge and skills you learn align with the latest industry practice. Employers and professional associations will recognise your qualifications and unique skillset.

1 2021 Student Experience Survey, UA benchmark group Victorian universities

## OPEN A WORLD OF OPPORTUNITY

Through dedicated research and industry partnerships, work alongside world-class academics while building practical skills to transform tomorrow.

### Expand your professional network

An extensive professional network provides lifelong benefits and is essential for career development and advancement. Through networking opportunities that Deakin facilitates, you will meet fellow students from different backgrounds, industry leaders, employers, mentors and experts in your chosen field.

### Increase your earning potential

As a postgraduate, you can build on the expertise you developed in your undergraduate degree and increase your earning potential. On average, those with a postgraduate qualification earn more per year than their undergraduate counterparts.

### Support and opportunities

Our award-winning careers service, DeakinTALENT, can also help you access employment support and opportunities.

The Deakin International Student Careers program (DISC) can help prepare you for the Australian job market, increase your employability and help you reach your professional goals. DeakinTALENT also offers a range of other services, including

workshops, coaching and the FreelancingHUB internship program.

DeakinTALENT won the Excellence in International Student Employability and Career Development category of the 2020 Victorian International Education Awards (VIEA), and has been voted the most popular careers service in Australia by the graduate recruitment industry for several years.<sup>2</sup>

<sup>2</sup> Australian Graduate Recruitment Industry Awards, 2017, 2018, 2019, 2020 winner for most popular career service in Australia; Employability award, 2021 Australian Financial Review Higher Education Awards.

### Work and your visa

If you are on a student visa, you can work while you study. See the Australian Government's Department of Home Affairs website for visa conditions.

# We are here to help you

## Study support

You will receive a world of study support at Deakin. With passionate teachers who care about your success, one-on-one study mentors, online resources and much more, you will have every opportunity to reach your potential.

## Wellbeing

There is nothing more important than your health and wellbeing — on and off-campus. You can access doctors, mental health services, physiotherapy, disability support and much more.

**NUMBER 1**  
for student support  
in Victoria<sup>1</sup>

## Safety and security

Feel safe at all times on campus, with around-the-clock security services ready to help whenever you need it.

## Clubs and events

We have more than 120 clubs and societies across our campuses to help you meet new people and try new things. Many of our events are designed specifically for international students.

► Visit [deakin.edu.au/clubs-and-societies](https://deakin.edu.au/clubs-and-societies) to find out more.

<sup>1</sup> 2021 Student Experience Survey,  
UA benchmark group Victorian universities.

# Campuses

Deakin delivers world-class on-campus and online learning.

## ON-CAMPUS LEARNING

We have four world-class campuses located in the state of Victoria, as well as an innovative online learning environment.

Where you choose to study will depend on your degree and preferences. But our on-campus degrees use the same DeakinSync online learning platform as our online degrees. That means more flexibility to do what works for you, with seamless connection between our physical and digital classrooms.

## ONLINE LEARNING

### Digital is in Deakin's DNA

For 40 years, Deakin has been perfecting distance and online learning. Today, we have a community of over 60,000 students, and continue to be world leaders with our innovative online teaching platform.

With live-streamed seminars and real-time class discussions, study what, how and when you want.

Our easy-to-use learning tools help you to connect with teachers and students, and access course materials offline.

With technical, academic and personal support available online, find out why we are voted number one for student support.<sup>1</sup>

CAMPUSES

# MELBOURNE BURWOOD

MELBOURNE

**The home of innovative and cutting-edge learning facilities.**

Melbourne is the multicultural heart of Australia, renowned globally for its food, arts and culture and sport.

With approximately 27,000 students, Deakin's largest campus is in the suburb of Burwood. Surrounded by open spaces and parks, this spacious campus has state-of-the-art buildings and facilities. Burwood is just a short distance from Melbourne's dynamic city centre, and easily accessible on public transport.

# WARRNAMBOOL

WARRNAMBOOL

**A global education on a local scale.**

Warrnambool is a popular tourist destination, with beautiful waterways, surf beaches and a whale-watching centre.

Located three hours from Melbourne, with easy access by train, the Warrnambool campus is home to a Deakin community with small class sizes of ambitious students and staff.

The globally recognised research carried out at this campus supports the very environment it sits on, and beyond.

# GEELONG

## A vibrant coastal city with country charm.

Geelong is home to two Deakin campuses — Waterfront and Waurn Ponds — and is the second most populated urban area in Victoria (after Melbourne), with a population of more than 250,000 people.

Just an hour from Melbourne, Geelong is known for its beaches, nightlife, food, and culture, and is easily accessible by public transport.

### Geelong Waterfront

GEELONG WF

An energetic, modern campus in the heart of Geelong, right on the bay.

This historic and architecturally striking campus has cutting-edge learning facilities.

Two-minutes from the beach, cafes and shops, you will have everything you need on your doorstep.

### Geelong Waurn Ponds

GEELONG WP

Where hands-on learning meets world-leading research.

Just outside Geelong city centre, Waurn Ponds has the best of both worlds.

Access some of the most advanced teaching and research facilities in the world, while socialising and studying in our outdoor areas and modern buildings.

# Making Australia home

 There are a lot of reasons why Australia is one of the most popular destinations for international students.

Australia is welcoming, diverse and beautiful. It is also home to some of the best universities in the world.

Melbourne is Australia's  
**NUMBER 1**  
student city<sup>1</sup>

Melbourne is the  
**WORLD'S  
5<sup>TH</sup> BEST**  
student city<sup>1</sup>

**182,000**  
international students call  
Australia home<sup>2</sup>

## DISCOVER VICTORIA

Our four campuses are located in Victoria. On Australia's east coast, Victoria is an exciting and multicultural state.

Whether you study in Melbourne, Geelong or Warrnambool, the communities that surround Deakin are family friendly and full of life.

Celebrated for the arts, sports, food and coffee, Victoria is also home to incredible beaches, nature and wildlife, and a welcoming and engaging culture.

Yarra River

Federation Square

Victorian beaches

Melbourne city laneways

Great Ocean Road

Phillip Island

# Welcome to your home away from home

**Living on campus at Deakin  
is affordable, fun, friendly and safe.**

Options range from shared units to single apartments. When living on campus, each student gets a private lockable furnished bedroom which includes a bed, desk, carpet, heating and free Wi-Fi.

## MELBOURNE BURWOOD

Bordered by picturesque parkland, the accommodation at our Melbourne Burwood Campus is home to 1175 students from all over the world. It features collaborative study zones, a fully equipped kitchen and an outdoor rooftop terrace. Residents are also invited to a wide range of free events like movie nights and food truck events

**EXPLORE**  
Melbourne Burwood  
accommodation

## WARRNAMBOOL

Located right next to the Hopkins River, the Warrnambool Campus is an ideal spot for students. You will have access to local surf and fishing spots, hallway dinners, free events, facilities like shared study spaces, a communal kitchen, a community produce garden and more. Our campus accommodation is the best way to enjoy student life.

**EXPLORE**  
Warrnambool  
accommodation

Rooftop terrace at the Geelong Waterfront residence

## GEELONG WATERFRONT

Right near Eastern Beach, the Deakin Waterfront residence has something for everyone. It features a rooftop terrace overlooking the bay, with an outdoor BBQ area. You will also have access to a movie room, shared study areas, a fully equipped kitchen and recreation rooms with table tennis and a pool table.

**EXPLORE**  
Geelong Waterfront  
accommodation

## GEELONG WAURN PONDS

The Geelong Waurn Ponds Campus offers townhouses, units and apartments. Close to sporting grounds and with exclusive access to residential programs, the Geelong Waurn Ponds accommodation is the perfect place to enjoy student life. Students can enjoy shared study spaces, recreation rooms with tabletop games and a town hall for events and gatherings.

**EXPLORE**  
Geelong Waurn Ponds  
accommodation

## OFF-CAMPUS ACCOMMODATION

**There are also plenty of options if you would like to live off campus.**

**Click here to learn more about living off campus**

Deakin has a database of local rooms, houses and apartments available to rent near each campus called Houseme.

We are also here to help you apply for properties and understand your rights and responsibilities as a tenant in Australia.

# Everyday expenses

## COST OF LIVING GUIDE

**Accommodation is not the only cost to consider.**

The cost of living in Australia will depend on where you live and your lifestyle. But it can be good to think about your budget, and be aware of day-to-day expenses before you arrive.

► Visit [studyinaustralia.gov.au](http://studyinaustralia.gov.au) to find out more.

<sup>1</sup> These price ranges are a guide only. Actual costs may vary.

<sup>2</sup> On-campus estimated cost is for Deakin's Melbourne Burwood Campus and includes amenities, such as electricity, gas and internet. On-campus accommodation costs for the Geelong and Warrnambool campuses are lower.

### Accommodation expenses<sup>1</sup>

	<b>ON CAMPUS AT DEAKIN</b> AUD \$264 to AUD \$326 per week <sup>2</sup> (inclusive of amenities)
	<b>HOSTELS AND GUEST HOUSES</b> Around AUD \$150 per week
	<b>SHARED RENTAL</b> Around AUD \$200 per week
	<b>HOMESTAY</b> Around AUD \$300 per week
	<b>RENTAL</b> Around AUD \$200 to AUD \$450 per week

### Other living expenses

	<b>GROCERIES AND EATING OUT</b> AUD \$140 to AU \$280 per week
	<b>GAS, ELECTRICITY</b> AUD \$10 to AUD \$20 per week
	<b>PHONE AND INTERNET</b> AUD \$20 to AUD \$35 per week
	<b>PUBLIC TRANSPORT</b> AUD \$30 to AUD \$60 per week
	<b>CAR (AFTER PURCHASE)</b> Around AUD \$100 per week
	<b>ENTERTAINMENT</b> AUD \$80 to AUD \$150 per week

Are you ready to start your journey?

# Key terms

## Unit

A unit is normally one trimester long and most have a value of 1 or 2 credit points.

## Credit point

For each unit you successfully complete, you will receive the credit point value of that unit towards your studies. You must complete a specified number of credit points to obtain your degree.

## Course code

Every Deakin degree has a corresponding course code for easy reference and identification.

Example: **M312**

## Combined degrees, graduate certificates and graduate diplomas

Although they do not feature in this guide, Deakin also offers a range of combined degrees, graduate certificates and graduate diplomas to international students.

► To explore these options visit [deakin.edu.au/find-a-course](http://deakin.edu.au/find-a-course)

## Course duration

- Graduate certificates are usually one trimester in duration and are designed to build practical skills.
- Graduate diplomas are usually two trimesters in duration and often build on the understanding and skills developed during a graduate certificate.
- Masters by coursework are typically 18 months to two years full-time study, or up to four years when taken part time.
- Master by Research take two years full time to complete and can serve as a prerequisite to applying for PhD studies.
- Doctoral (PhD) programs take a minimum of three years full time.
- All course durations in this course guide are for full-time study, unless specified as part-time.

Example:

**3 YEARS**

## Course icon key

- Course duration (full-time)
- 2024 annual cost
- Trimester intake
- IELTS requirements
- Campus location
- Work experience availability

Melbourne Burwood Campus

## Course fees

The annual course fee indicates the tuition fee for two trimesters of full-time study, or 8 credit points, unless otherwise indicated. Additional fees may apply and course fees may be subject to change. All fees are listed in Australian dollars.

Example:

AUD \$35,600

## Trimester intakes

Deakin uses a trimester system to classify intakes. Two trimesters are still equal to a full academic year, but the third trimester can offer the opportunity to finish certain degrees sooner.

Deakin's trimesters run from:

- March to June (Trimester 1)
- July to October (Trimester 2)
- November to February (Trimester 3)

Example:

MARCH, JULY

## IELTS

IELTS is the International English Language Testing System. The numbers reflect the minimum overall score required, as well as the lowest score allowed for any band (overall score/lowest band score). Deakin also accepts the results of other English language tests.

See page 67–68 for details.

Example:

6/6 IELTS

## Campuses

Deakin's campuses are:

- Melbourne Burwood (Melbourne)
- Warrnambool (Warrnambool)
- Geelong Waterfront (Geelong WF)
- Geelong Waurn ponds (Geelong WP)
- Online

See pages 9–12 for details.

Example:

GEELONG WF

## Work experience

A tick in the course tables indicates that work experience is available to undertake as part of a degree (required or optional). Work experience may involve placements, work-based training, community-based learning or collaborative research training arrangements.

Example:

WORK EXPERIENCE ✓

# Architecture and construction management ▼

## BROADEN YOUR PERSPECTIVE

Our health programs have  
a rural and regional focus.

## INDUSTRY LEADERS

Learn from leading  
professionals in healthcare.

# Medicine

## Doctor of Medicine (MD) H911

CRICOS code: 096842G

Establish a rewarding career, with a course that goes beyond the classroom to work hands-on with patients. You will learn how medicine is practiced in metropolitan, regional and rural areas, while building valuable relationships that kick start career growth. Set yourself up for a range of rewarding pathways, from general practice to pathology, paediatrics to surgery.

### Career outcomes:

To date, all Deakin international medical graduates have been eligible for internships in Australia, or their country of preference. International students either undertake this training as an Australian intern or travel to their country of interest and train in a residency program there. Following successful completion of the internship year, you will be able to apply for entry to specialty training programs for a diverse range of medical careers in Australia and overseas.

# Student spotlight

I trained in a rural hospital in Hamilton in my third year. I had the opportunity to get lots of hands-on experience with patients both in the hospital and in the general practice clinic.

I also met some amazing people who took me under their wing which made the experience very manageable.

The Deakin staff in the School of Medicine were excellent and made sure we were ready to transition from the classroom to hospitals.

# Entry requirements

Each Deakin postgraduate degree has its own eligibility and academic entry requirements.

## Masters by coursework

Deakin masters by coursework programs are typically 18 months to two years full time, or up to four years part time. Many degrees allow you to choose a ‘specialisation’ — the area of study from which you choose the majority of your units. Studies are completed mainly through coursework, with a thesis or major project completed in the last part of the degree.

### ADMISSION REQUIREMENTS

Applicants are required to have completed at least a bachelor degree, or comparable, of an acceptable standard from an approved university or other educational institution. Some degrees may have additional entry requirements, which you can find on the Deakin website.

Masters degrees by coursework that include a research stream may provide a possible pathway to PhD candidature.

## Graduate certificates and graduate diplomas

Graduate certificates are usually one trimester in duration and are designed to add practical and vocational skills to your undergraduate degree, diploma or previous work experience. Graduate diplomas are usually two trimesters in duration. They are designed to build on the understanding and skills developed during a graduate certificate, or from work experience.

### ADMISSION REQUIREMENTS

Applicants seeking entry into a graduate certificate or graduate diploma program must have successfully completed:

- An approved undergraduate degree, or comparable, from an approved university or other educational institution; or
- Comparable qualifications gained by examination or relevant professional or industry experience.

Additional requirements may exist for certain degrees.

## Visas

International students who want to study in Australia require a visa. This could be a student visa. It is important that you know the type of visa you are granted so that you can meet the requirements of that visa. You can learn more about student visas and other important visa information at Australian Government's Department of Home Affairs website.

IELTS: International English Language Testing System (Academic Module)

TOEFL: Test of English as a Foreign Language (PBT: Paper Based Test) (iBT: Internet Based Test)

C1 Advanced: Formerly known as Cambridge English Proficiency (CAE)

C2 Proficiency: Formerly known as Cambridge English Advanced (CPE)

PTE: Pearson's Test of English (Academic)

OET: English language test for healthcare professionals

DUELI EAP: Deakin University English Language Institute English for Academic Purposes program

## English language requirements

To enrol in a Deakin degree, you will need to be able to read, speak, write and listen in English at a certain level. Students must provide evidence of at least one of the following:

- Obtaining the required scores on a recognised English language test, such as IELTS or TOEFL.
- Completed university (tertiary) or high school (secondary) studies taught in English.
- Lived and worked in an English-speaking country for at least five years.

Different Deakin degree have different English language requirements. Please ensure that you have read, and meet, the requirements for your chosen degree.

### OTHER ACCEPTED ENGLISH LANGUAGE TESTS

- C1 Advanced (formerly Cambridge English Advanced CAE)
- C2 Proficiency (formerly Cambridge English: Proficiency CPE)
- English language test for healthcare professionals (OET)
- Pearson Test of English Academic (PTE Academic).

For most international students, language might be one of the biggest barriers that can impede our actions. However, Deakin has proved me wrong. It turns out that the language barrier is not something to be stressed about. Deakin University has a very high cultural sensitivity and inclusivity for its students and staff.

Liman

MASTER OF PUBLIC HEALTH

# Find your path

Don't worry if you do not meet some of the academic or English language requirements for entry into a Deakin degree straight away.

**We can still help you find a pathway to study with us.**

## Meeting the English language requirements at Deakin

The Deakin University English Language Institute (DUELI) is recognised as one of the best English language centres in Australia.

DUELI pathways offer the opportunity to develop your English while improving your study skills and becoming familiar with studying at an Australian university.

Because some postgraduate courses have specific English language requirements, DUELI offers a number of short programs that build on one another.

DUELI programs start every five weeks and are offered online and at Deakin's Melbourne Burwood Campus.

### DUELI programs include:

- English for Academic Purposes (EAP)
- General English
- English for Commerce
- English for Nursing
- English for Teaching
- IELTS Preparation
- Introductory Academic Program (IAP)

### FIND OUT MORE

Click for more details about DUELI

## Postgraduate skills support

DUELI offers programs to help postgraduate applicants transition into study at Deakin University.

Completion of the 4th level of DUELI's English for Academic Purposes program meets the language requirements for postgraduate study at Deakin.

# How to apply

You can apply to Deakin at any time throughout the year.

Our team is always ready to answer any questions and process your application quickly.

Application processes and requirements may differ slightly depending on your chosen degree, as well as your country of residence and entry pathway. Be prepared and give yourself time to gather the required paperwork.

## APPLY IN FIVE STEPS

### Find your degree

Choose the Deakin degree you would like to study. You can speak directly with the us or with a Deakin authorised agent at any stage of the application process. Both are very knowledgeable and always happy to help.

### Understand the academic entry requirements

Read all the academic entry requirements for your degree before you submit your application. Entry requirements may differ for some study areas or be dependent on your country of residence. Minimum requirements for our postgraduate degrees can be found on pages 65–66 of this guide. Any special requirements will be listed on the specific course page of the Deakin website.

#### If you do not meet the academic entry requirements

There are a range of pathway options that may allow you to study at Deakin. Learn more about the pathway options on page 70 of this guide.

► Find out more  
[deakin.edu.au/int-entry](http://deakin.edu.au/int-entry).

### Understand the English language requirements

All applicants need to meet Deakin's English language requirements to the level necessary for their chosen degree. IELTS scores are included on the course information pages of this guide. To learn more about IELTS and other English language tests, see pages 67–68.

#### If you do not meet the English language entry requirements

There are a range of pathway options that may allow you to study at Deakin. Learn more about the pathway options on page 70 of this guide.

► Find out more  
[deakin.edu.au/english-reqs](http://deakin.edu.au/english-reqs).

## Applying for credit

If you have completed relevant previous study in your home country, you may be eligible to apply for credit towards your Deakin degree.

[deakin.edu.au/rpl](http://deakin.edu.au/rpl)

4.

## Gather supporting documents

When you submit your application to Deakin, make sure you attach all required supporting documentation. Otherwise, your application could be delayed or, even worse, rejected. Give yourself plenty of time to get organised. All documents must be translated into English. Most documents, such as transcripts and identification, need to be certified before they are submitted to Deakin.

► Find a Deakin authorised agent:  
[deakin.edu.au/int-agents](http://deakin.edu.au/int-agents)

5.

## Submit your application

You can submit your application to study at Deakin by:

- Speaking with a friendly Deakin authorised agent, who understands what is required for a good application, as well as navigating the complexities that can come with visa applications, or;
- Applying directly to Deakin through Deakin's StudyLink Connect platform<sup>1</sup>

# Make an impact with great ideas

**Our research partnerships, industry-active academics and placement options will equip you with practical and applied skills to develop your career.**

Bring your passion to a university that shares your ambition to create a better world. Almost one third of all Deakin's research students are from overseas, making Deakin a truly diverse and globally significant centre of research.

Deakin's exceptional facilities, strategic partnerships, innovative research centres and excellent reputation will equip you with practical and applied skills to develop your career.

We partner with universities, industry and research organisations around the world to address global social, economic and environmental challenges facing our communities.

Deakin is renowned for its research excellence, offering research students access to a globally recognised network from 60+ countries, allowing you to collaborate with research partners nationally and internationally.

Deakin provides academic and professional support, as well as assistance in finding, applying for and managing research grants, awards and prizes.

There are also industry placement and networking opportunities, and sessions on preparing for life after completion.

**Undertaking a research degree at Deakin offers access to world-class experts and facilities.**

Cutting-edge resources within our seven research institutes and seven strategic research centres include our world-leading carbon fibre research plant Carbon Nexus; a 7 megawatt renewable energy Microgrid; an Australian-first haptically enabled motion simulator; super computers; virtual reality facilities; and state-of-the-art health, sports and science laboratories that can help you to realise your research objectives.

#### Deakin research institutes include:

- Alfred Deakin Institute for Citizenship and Globalisation (ADI)
- Applied Artificial Intelligence Institute (A<sup>2</sup>I<sup>2</sup>)
- Institute for Frontier Materials (IFM)
- Institute for Health Transformation (IHT)
- Institute for Intelligent Systems Research and Innovation (IISRI)
- Institute for Mental and Physical Health and Clinical Translation (IMPACT)
- Institute for Physical Activity and Nutrition (IPAN).

## RESEARCH AT DEAKIN

**Deakin offers three types of postgraduate research degrees:**

**1.**

### Master by Research

A Master by Research program takes two years full time to complete, and can serve as a pathway to applying for PhD studies. For a Master by Research degree, you will be allocated a dedicated research supervisor.

**2.**

### Doctor of Philosophy (PhD)

A Doctor of Philosophy (PhD) is the highest degree available and takes a minimum of three years full-time to complete. PhD candidates conduct original research in order to progress their chosen field.

**3.**

### Doctor of Psychology (DPsych)

A Doctor of Psychology (DPsych) combines a research project, coursework and structured research tasks specifically related to professional practice.

# RESEARCH DEGREE ENTRY REQUIREMENTS

**Students wanting to enrol in a research degree at Deakin must have a demonstrated ability to undertake significant research in a defined area of interest.**

Your prior studies will have included advanced coursework in a relevant field, initial training in appropriate research methods and submission of a significant research component in a written report or comparable output.

## Master by Research

A Deakin Master by Research program takes two years full time to complete, and can serve as a prerequisite to applying for PhD studies. For a Master by Research degree, you will be allocated a dedicated research supervisor.

### ADMISSION REQUIREMENTS

Applicants must hold a bachelor degree with honours (lower second class and above), or equivalent, from a recognised tertiary institution in an appropriate discipline. You must also have demonstrated capacity to undertake significant research in the proposed field for which Deakin can provide the required supervisory expertise.

## Doctoral programs (PhD)

Doctoral programs are between two and four years full time and are the highest degree available in academia. PhD students conduct original research in order to progress their chosen field. People choose to do PhDs if they want a career in academia or if they want to reach higher levels in their non-academic jobs.

### ADMISSION REQUIREMENTS

Applicants must hold a bachelor degree with honours (upper second class and above) or a masters degree by research from a recognised tertiary institution in an appropriate discipline. They must also demonstrate their capacity to undertake significant research in a field for which Deakin can provide the required supervisory expertise.

## Applying for a research degree at Deakin

You can use Deakin's online Higher Degree by Research application form to apply for a research degree. You will need to attach proof of citizenship, academic transcripts, a research proposal, referee reports and other certified documents. Please note that some Faculties and Institutes will require you to first submit an Expression of Interest Form before being approved to submit an online application. If you are looking to complete a PhD you must demonstrate evidence of research ability. This can be shown through an honours year, a research masters degree, or a coursework masters degree with a substantial thesis.

► For more information go to [deakin.edu.au/pg-research](http://deakin.edu.au/pg-research)
