

Project Selection Form Honours

School of Exercise and Nutrition Sciences

Please use this electronic form to enter your project selection and obtain endorsement from your potential supervisors.

Before completing the form, kindly review the following information:

- The list of Honours projects with a brief project description can be accessed by accessing the Project Listings on the SENS Honours webpage below

[Honours in exercise sport science or nutrition sciences | Students.](#)

- The project descriptions provide a broad overview of each project being offered for the Honours year. These descriptions are intended to guide you in selecting the project that interest you.
- It is expected that you will contact the relevant supervisors listed in the project descriptions to obtain more specific details about the projects. This may include the project's scope, required skills, expected timelines, and suitability for full-time or part-time study modes.

Contacting Supervisors

- Supervisor contact details can be accessed via the Project Listings portal that can be accessed using the link below.
