'I've always had a passion for working with animals, so after high school I studied animal studies and veterinary nursing at TAFE. I received RPL from my TAFE studies, which meant I could put my learning straight into my degree. The hands-on experience has been invaluable, and I feel really fortunate to have had this opportunity.'

Current Deakin student – Bachelor of Zoology and Animal Science

Please be advised that any RPL that you accept into your course at Deakin is not automatically accepted by some professional bodies. It is the student's responsibility to ensure that any study you intend to undertake, together with any relevant prior studies that have been presented for admission and/or credit transfer purposes, will meet the requirements of membership for professional bodies/associations that you may choose to seek in the future.

In some instances students need to select particular majors and minors in their bachelor degree to get the full RPL. We strongly urge you to make an appointment with a Student Adviser at Student Central for enrolment advice: deakin.edu.au/students/help/student-central.
