

Edmund D. Gill, 1908-1986.

Map collection, containing maps owned, used and annotated by Edmund Gill as part of his geological research.

1. Map: The Otways. Forests Commission Victoria, 1969, rev. Sept. 1971.
2. Map: Colac, Victoria. A.H.Q. Cartographic Company, 1942.
3. Port Campbell, A & B. State Aerial Survey, Victoria, 1957. A. C. Brooks, Government Printer, Melbourne.
4. Map: Victoria, Panmure. Prepared by Australian Section Imperial General Staff. Printed by A.H.Q. Cartographic Company, Melbourne, 1942.
5. Map: Victoria, Bridgewater. Prepared by Australian Section, Imperial General Staff. Reproduced by L.H.Q. (Aust.) Cartographic Company, 1942.
6. Map: Victoria, Nelson. Prepared by Australian Section, Imperial General Staff. Reproduced by L.H.Q. (Aust.) Cartographic Company, 1943.
7. Map: Paywit, County of Grant. Photolithographed at the Department of Lands and Survey, Melbourne, 23 Sept. 1931. H. J. Green, Government Printer.
8. Map: Victoria, Geelong. Prepared by Australian Section Imperial General Staff, June 1928.
9. Traced overlay of above map: Geelong Inner and Outer Harbour, location of bores.
10. Map: Anglesea, Victoria. Produced by the Royal Australian Survey Corps, 1956. 2nd ed.
11. Aerial Photograph: Spout Creek, Cinema Point. Victorian Foreshores. Run 5, 10 Feb. 1977.
12. Traced overlay of above photograph: Mim Sites Point Grey, Lorne, Victoria, 1978. Magnetic bearings. Drawn T.G.F. 1 Nov. 1978.
13. Aerial Photograph: Warrnambool. Thunder Point. Run 4, c.1976.
14. Aerial Photograph: Warrnambool. Thunder Point. Run 4, c.1976.
15. Traced map, combined, of above photographs: Warrnambool. Thunder Point to Dennington Spit and Tower Hill.
16. Traced overlay of above photographs: Warrnambool. Thunder Point.
17. Traced overlay: Warrnambool Foreshore, with Lake Pertobe.
18. Map: Victoria, Port Fairy. Prepared by Australian Section Imperial General Staff. Printed by G.H.Q. Cartographic Company, Melbourne, 1942.
19. Traced map: Killarney Beach.
20. Traced map: Killarney Beach.
21. Traced overlay: Killarney Beach.
22. Traced map: Port Fairy Coastal Dune Survey.
23. Traced map: Port Fairy Coastal Dune Survey.

24. Traced map: Port Fairy Coastal Dune Survey. Belfast Lough.
25. Traced map: Port Fairy Coastal Dune Survey.
26. Traced map: Port Fairy Coastal Dune Survey.
27. Traced map: Port Fairy Coastal Dune Survey.
28. Traced map: Port Fairy Coastal Dune Survey.
29. Tracing: Port Fairy Coastal Dune Survey.
30. Tracing: Port Fairy Coastal Dune Survey.
31. Tracing: Port Fairy Coastal Dune Survey. Belfast Lough.
32. Tracing: Port Fairy Coastal Dune Survey.
33. Tracing: Port Fairy Coastal Dune Survey.
34. Tracing: Port Fairy Coastal Dune Survey.
35. Tracing: Port Fairy Coastal Dune Survey.
36. Tracing: Features of the Lava Flow of Mt Napier. Drawn by Leonard K.M. Elmore.
37. Tracing, coloured: Features of the Lava Flow of Mt Napier. Geological research by Leonard K.M. Elmore, Hamilton Field Naturalists Club in collaboration with Edmund D. Gill, Deputy Director, National Museum, Victoria.
38. Traced map: Copy of Features of the Lava Flow of Mt Napier. Elmore and Gill. Includes numbered geological features.
39. List of numbered geological features from Features of the Lava Flow of Mt Napier. Elmore and Gill.
40. Annotated and adjusted list of numbered geological features from Features of the Lava Flow of Mt Napier. Elmore and Gill.
