## Using Styles in these documents

To ensure consistency and prevent formatting errors, these 2 templates have restricted formatting settings. Only the predefined styles provided can be used and cannot be modified.

### Accessing Styles :

1. Go to the Home tab
2. Click the small arrow in the Styles box

👉 A panel will open on the right showing all styles

**Available styles:**

- Normal - body text
- Heading 1 - headers**
  - List bullet
  - List bullet 2
- 1. List number
- 1. List number 2
- Caption (figures and tables)*
- Reference text - for reference section only
