School of Information Technology

S470 Bachelor of Information Technology (Honours)

Application Form

Two-step application process

1. A formal application must be submitted via the Deakin University Applicant Portal
2. This application form must be submitted as an attachment with your formal application as per Step 1

Please note: applications will not be considered unless both steps have been completed.

Applications must be received by application closing dates. Honours Coordinators are available to help answer any general queries or help discuss your project ideas. Please refer to the Honours website for further information.

Your details

First name: [ ]   Last name: [ ]

Email address: [ ]

Current (or completed) undergraduate course

Course Code: [ ]   Course title: [ ]

University/Institution: [ ]

Proposed Honours Project

Please refer to the Honours Projects booklet and list your proposed Honours Project. You must discuss the project with the respective supervisor prior to submitting your formal application through the applicant portal. The supervisor must provide approval by signing this form or providing confirmation via email (to be uploaded with this application).

Supervisor name: [ ]

Honours project topic: [ ]

Full time or Part time: [ ]   Campus: [ ]

Trimester of commencement: [ ]   Year: [ ]

Supervisor signature:

[ ]   Date: [ ]

Please note: A signature from a supervisor does not automatically guarantee you an Honours course place.
Your enrolment will be confirmed after a formal application and assessment.
